

THIS DOCUMENT IS IMPORTANT AND REQUIRES YOUR IMMEDIATE ATTENTION

This document does not constitute an offer to sell or the solicitation of an offer to buy any securities. None of the securities referred to in this document may be sold, issued or transferred in any jurisdiction in contravention of applicable law. In Member States of the European Economic Area and in the United Kingdom, the securities proposed to be issued pursuant to the Scheme will be issued and delivered only to persons or undertakings which are “professional clients” as defined in Article 4(1)(10) of Directive 2014/65/EU (as amended, “MiFID II”) or “qualified investors” as defined in Article 2(e) of Regulation (EU) 2017/1129 (the “Prospectus Regulation”). The securities proposed to be issued pursuant to the Scheme will not be registered with the U.S. Securities and Exchange Commission (“SEC”) under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or the securities law of any state or other jurisdiction, and are being transferred and delivered in reliance upon certain exemptions from the registration requirements of the Securities Act. The securities proposed to be issued pursuant to the Scheme will be issued and delivered only (i) in the United States to “qualified institutional buyers” (“QIBs”) as defined in Rule 144A under the Securities Act (“Rule 144A”) or “accredited investors” (“Accredited Investors”) as defined in Rule 501(a) of Regulation D under the Securities Act (“Regulation D”) and (ii) to non-U.S. persons in offshore transactions outside the United States, in reliance on Regulation S under the Securities Act (“Regulation S”).

This document includes an explanatory statement in accordance with Part 26 of the Companies Act 2006 in respect of the Scheme. It is being sent to Scheme Creditors. If you do not believe that you are a Scheme Creditor, you do not need to take any further action; however, if you fail to lodge your claim before the Bar Date, you will not be entitled to receive any distributions pursuant to the Scheme or any dividends in the Administration and you will be prevented from proving for any Provable Claim after the Bar Date. If you are in any doubt as to the action you should take, you should consult your professional adviser without delay.

If you have assigned, sold or otherwise transferred your Provable Claims, or intend to do so before the Record Date, you must forward a copy of this document to the person or persons to whom you have assigned, sold or otherwise transferred, or intend to assign, sell or otherwise transfer, such interests.

This document is accompanied by an instruction packet containing forms of voting instructions, election instructions and confirmations in respect of the Scheme. It is important that you read this document carefully for information about the Scheme and, if you are a Scheme Creditor, that you comply with the applicable directions for voting, making elections and giving confirmations contained in this document.

SCHEME DOCUMENT TO SCHEME OF ARRANGEMENT (pursuant to Part 26 of the Companies Act 2006)

BETWEEN

AFRICAN MINERALS LIMITED (IN ADMINISTRATION)

(a company with limited liability incorporated under the laws of Bermuda with registration number 34816 and whose registered address is at Victoria Place, 31 Victoria Street, Hamilton, HM10, Bermuda)

and the

SCHEME CREDITORS

A summary of the Scheme is set out in Part 3 (*Overview of the Transaction and Scheme*) of Section I (*Explanatory Statement*) and the full text of the Scheme Document is set out in Section II (*Scheme Document*).

The actions you should take are set out in Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*).

The Scheme Meeting for Scheme Creditors to consider the Scheme will be held via video and telephone conference on or about 10:00 a.m. (London time) on 20 July 2020. Scheme Creditors must complete Registration in order to receive dial-in details for the Scheme Meeting. The form of notice convening the Scheme Meeting is set out in Section III (*Notice Of Scheme Meeting*). The Bar Date for the Scheme will be at 5.00 p.m. (London time) on 3 August 2020.

You are requested to vote at the Scheme Meeting in accordance with the instructions and notes contained herein.

The Record Date for the Scheme will be at 5.00 p.m. (London time) on 13 July 2020. If you believe you have a Provable Claim but have not yet submitted a proof of debt, you are urged to do so as soon as possible. If you have not submitted a proof of debt by the Record Date you will not be able to vote at the Scheme Meeting. Further, if you have not submitted a proof of debt by the Bar Date, you will not be entitled to distributions made pursuant to the Scheme or any dividends in the Administration and you will be prevented from proving for any Provable Claim after the Bar Date. A blank proof of debt form is at Part 1 (*Scheme Creditor Information*) of Section IV (*Instruction Packet*), and can also be accessed by the Administration Website and the Scheme Website. Proof of debt forms should be completed and returned to the Joint Administrators using the contact details provided on the form.

Scheme Creditors are requested to vote on the Scheme whether or not they intend to attend the Scheme Meeting.

If you have an Admitted Claim or an Undetermined Provable Claim and wish to attend the Scheme Meeting and vote, you need to complete Registration as set out in paragraph 3.5 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*). If a Scheme Creditor is a company or corporation and wishes to attend the Scheme Meeting and vote, it must appoint an individual as its representative at the Scheme Meeting and provide an appropriately certified copy of the resolution of directors or other governing body of the company or corporation evidencing that he or she is authorised to act as its representative at the Scheme Meeting.

The Bond Trustee holds an Admitted Claim in respect of the Bonds. In accordance with the Extraordinary Resolution and the MoU Committee Letter, the Bond Trustee has been instructed to vote the Admitted Claim it holds in favour of the Scheme. Accordingly, Bondholders are not Scheme Creditors and may not vote at the Scheme Meeting. The Scheme will compromise the Admitted Claim held by the Bond Trustee. Each Bondholder will be given the opportunity, but not the obligation, to elect whether to receive an immediate cash distribution or to cause the cash distribution they would otherwise be entitled to receive (in each case net of any amounts provided for in the Trust Deed and in the Extraordinary Resolution) to be contributed to the CRV in exchange for an interest in the CRV, which will allow the Bondholders to obtain a share of any recoveries from the Enforcement Related Claims (a "**Bondholder CRV Election**"). Bondholders will be offered the opportunity to make that election via the Clearing Systems. Details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election will be set out in a notice to be published by the Bond Trustee via the Clearing Systems.

If you: (i) have an Admitted Claim and wish to appoint the Chairman or another person to attend the Scheme Meeting and vote on your behalf; or (ii) have an Undetermined Provable Claim (which has been submitted by the Record Date) and wish to appoint the Chairman or another person to attend the Scheme Meeting and vote on your behalf, you may do so by submitting a Proxy Form in accordance with the instructions and notes contained therein. A hard copy Proxy Form is provided at Part 3 (*Proxy Form*) of Section IV (*Instruction Packet*), or otherwise can be obtained from the Scheme Website or the Information Agent by email to LM@glas.agency.

After Scheme Creditors have Registered with the Information Agent, Proxy Forms may be completed and submitted via the Portal accessible through the Scheme Website or by returning a pdf copy to the Information Agent by email to LM@glas.agency, using the email provided to the Information Agent during Registration.

Proxy Forms should be submitted as soon as possible and, in any event, so as to be received by the Information Agent no later than 5.00 p.m. (London time) on 15 July 2020.

A Scheme Creditor wishing to exercise its CRV Election to receive (or wishing to procure that its Nominated Recipient receives) CRV Interests must ensure that its validly completed CRV Election Letter, is delivered to, and received by, the Information Agent prior to the 5.00 p.m. (London time) on 3 August 2020 (the CRV Election Deadline may be extended for Scheme Creditors that hold Undetermined Provable Claims). As part of the CRV Election Letter, Scheme Creditors will also need to confirm that they (or their Nominated Recipient, as applicable) are an Eligible Person, and will need to provide KYC Documentation. For further information regarding the completion and submission of a CRV Election Letter, please refer to Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*) and Section IV (*Instruction Packet*).

In the event that the Scheme is approved by Scheme Creditors, a hearing before the High Court is necessary in order to sanction the Scheme (the Scheme Sanction Hearing). All Scheme Creditors are entitled to attend the Scheme Sanction Hearing themselves or through counsel to support or oppose the sanctioning of the Scheme. It is expected that the Scheme Sanction Hearing will be held on or around 27 July 2020.

This Explanatory Statement has been prepared solely in connection with the proposed Scheme. Nothing in this Explanatory Statement or any other document issued with or appended to it should be relied on for any other purpose.

If you are (or think you might be) a Scheme Creditor and you have any queries relating to this document or what is required of you, including the completion of a CRV Election Letter, please contact the Information Agent, whose contact details are set out below, for assistance. All relevant documentation can be found at the Scheme Website.

Copies of the Scheme Documentation shall also be made available to any of the Scheme Creditors in hard copy free of charge upon request by contacting the Information Agent in usual business hours using the details below. Scheme Creditors are requested to note that in light of the COVID-19 pandemic and the government restrictions on working in offices, the mail box at the address below may not be monitored as frequently as it would be in normal circumstances. In order to avoid delays in obtaining hard copies of the Scheme Documentation, Scheme Creditors are encouraged to contact the Information Agent by email where possible.

The distribution of this document, and the offer and issue of any securities in connection with the Transaction into, or to citizens or residents of, a jurisdiction may be restricted by law or regulation and persons into whose possession this document or the Instruction Packet come should inform themselves about and observe any such restrictions. Failure to comply with any such restrictions could result in a violation of the laws of such jurisdictions.

The implications of the Scheme for Scheme Creditors who are residents or citizens of different jurisdictions may be affected by the laws of the relevant jurisdictions.

SCHEME CREDITORS SHOULD NOT CONSTRUE THE CONTENTS OF THIS EXPLANATORY STATEMENT AS LEGAL, TAX OR FINANCIAL ADVICE. SCHEME CREDITORS SHOULD CONSULT THEIR OWN PROFESSIONAL ADVISERS WITH RESPECT TO THE MATTERS DESCRIBED IN THIS DOCUMENT, INCLUDING THE LEGAL, FINANCIAL AND TAX CONSEQUENCES OF THE SCHEME IN THEIR PARTICULAR CIRCUMSTANCES.

The information contained in this Explanatory Statement has been prepared by the Company and the Joint Administrators, based upon information available to them.

No person has been authorised by the Company or the Joint Administrators to give any information or make any representation in relation to the Scheme or the Transaction generally other than the information and/or representations expressly contained in this document and the accompanying documents and, if given or made, such information and/or representations must not be relied upon as having been authorised by the Company or the Joint Administrators.

The statements contained in this document are made as at the date hereof, unless another time is specified in relation to them, and the delivery of this document shall not give rise to any implication that there has not been any change in the information set out in this document since that date.

Without prejudice to the generality of the foregoing, nothing in the Scheme Document, this document or the distribution hereof evidences to any person, or constitutes any admission by the Company or the Joint Administrators, that a liability is owed to any person in respect of any claim or that any person is or may be a Scheme Creditor. The failure to distribute this document to any Scheme Creditor shall not constitute an admission by the Company or the Joint Administrators that such person is not a Scheme Creditor.

IMPORTANT SECURITIES LAW NOTICES

THIS DOCUMENT DOES NOT CONSTITUTE AN OFFER TO SELL OR THE SOLICITATION OF AN OFFER TO BUY ANY SECURITY IN ANY JURISDICTION WHERE IT IS UNLAWFUL TO DO SO. NONE OF THE SECURITIES REFERRED TO IN THIS DOCUMENT MAY BE SOLD, ISSUED OR TRANSFERRED IN ANY JURISDICTION IN CONTRAVENTION OF APPLICABLE LAW.

U.S. Securities Law Considerations

The CRV Interests have not and will not be registered under the Securities Act or with any securities regulatory authority of any state of the United States.

In connection with the issue of the CRV Interests, the CRV Election Letter will require each Scheme Creditor (or its Nominated Recipient) who wishes to exercise its CRV Election to receive CRV Interests to confirm, amongst other things, that it (or its Nominated Recipient, as applicable) is a person eligible to elect to receive securities under the Securities Act and will require any Scheme Creditor (or Nominated Recipient, as applicable) who is located in the United States or who is a U.S. person (as defined in Regulation S) and intends to receive their CRV Interests to make certain representations and covenants in the CRV Election Letter. If the confirmations required by the CRV Election Letter cannot be made or are not given by a Scheme Creditor (or its Nominated Recipient, as applicable), such Scheme Creditor (or its Nominated Recipient, as applicable) will not be eligible to receive the relevant CRV Interests, and will be treated as a Disqualified Person, and will receive its Pro Rata entitlement to the Cash Consideration as if it had not exercised its CRV Election.

Unless otherwise approved by the Company, the CRV Interests will be transferred and delivered within the United States solely to QIBs or Accredited Investors and to U.S. persons who are QIBs or Accredited Investors only. Outside the United States, the CRV Interests will be transferred and delivered solely to non-U.S. persons in offshore transactions in reliance on Regulation S.

If you are a U.S. person, or are located in the United States, but you are not a QIB or an Accredited Investor, you are eligible to receive this document and to participate in the Scheme and the meetings described herein but you will not be eligible to receive your CRV Interests except as described herein.

This document is not for general release, publication or distribution in or into any jurisdiction where to do so would constitute a violation of the relevant laws of such jurisdiction.

None of the CRV Interests will be listed on a U.S. or other securities exchange or with any inter-dealer quotation system in the United States or elsewhere. The CRV does not intend to take action to facilitate a market in any of the CRV Interests in the United States or elsewhere. Consequently, the Company believes that it is unlikely that an active trading market in the United States or elsewhere will develop for any such securities.

Neither the SEC nor any U.S. federal, state or other securities commission or regulatory authority has registered, approved or disapproved the CRV Interests or passed upon the accuracy or adequacy of this document. Any representation to the contrary is a criminal offence in the United States.

Scheme Creditors who are citizens or residents of the United States should consult their own legal, financial and tax advisers with respect to the legal, financial and tax consequences of the Scheme in their particular circumstances.

The issuance of the CRV Interests to the Scheme Creditors (as explained in detail in this document) relates to the issuance of interests in a Cayman STAR trust and is proposed to be made by and pursuant to a court-approved arrangement under English company law. Accordingly, the Scheme is subject to the disclosure requirements, rules and practices applicable to English schemes of arrangement and the information in this document is not the same as that which would have been disclosed if the document had been prepared for the purposes of complying with the registration requirement of the Securities Act or in accordance with the laws or regulations of any other jurisdiction.

Other Jurisdictions

European Economic Area and the United Kingdom

The CRV Interests are not intended to be offered, sold or otherwise made available to and shall not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”) or in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of MiFID II; (ii) a customer within the meaning of Directive 2016/97/EU, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Article 2(e) of the Prospectus Regulation. Consequently no key information document required by Regulation (EU) No 1286/2014 (the “**PRIPs Regulation**”) for offering or selling the CRV Interests or otherwise making them available to retail investors in the EEA or in the United Kingdom has been prepared and therefore offering or selling the CRV Interests or otherwise making them available to any retail investor in the EEA or in the United Kingdom may be unlawful under the PRIPs Regulation. This document does not and shall not, in any circumstances, constitute an offering to retail investors.

In addition, this document has been prepared on the basis that all offers of the CRV Interests in any member state of the European Economic Area (an “**EEA Member State**”) or in the United Kingdom will be made pursuant to an exemption under Article 1(4) of the Prospectus Regulation from the requirement to produce a prospectus for offers of the CRV Interests. Accordingly, any person making or intending to make any offer within the EEA or in the United Kingdom of the CRV Interests may only do so in circumstances in which no obligation arises for the Company to produce a prospectus pursuant to Article 3(1) of the Prospectus Regulation for such offer. The Company has not authorised and does not authorise the making of an offer of any of the CRV Interests through any financial intermediary, other than offers made by the Company, as contemplated by this document. In relation to any EEA Member State or the United Kingdom, no offer of CRV Interests to any person or undertaking in that EEA Member State or in the United Kingdom may be made other than to a person or undertaking which is a “qualified investor” as defined in Article 2(e) of the Prospectus Regulation, provided that no such offer of CRV Interests shall require the Company to publish a prospectus pursuant to Article 3 of the Prospectus Regulation in relation to such offer.

For the purposes of this provision, the expression an “**offer**” in relation to the CRV Interests in an EEA Member State or in the United Kingdom means the communication in any form and by any means of sufficient information on the terms of the offer and the CRV Interests to be offered so as to enable an investor to decide to purchase or subscribe for the CRV Interests, as defined in Article 2(d) of the Prospectus Regulation.

United Kingdom

The communication of this document is not being made, and this document has not been approved, by an authorised person for the purposes of section 21 of the Financial Services and Markets Act (as amended, “**FSMA**”). Accordingly, this document is being distributed only to and is only directed at persons and undertakings who are not retail investors (as defined above) and who: (i) are outside the United Kingdom, (ii) have professional experience in matters relating to investments falling within the definition of investment professionals (as such term is defined in Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005 (as amended, the “**FPO**”), (iii) fall within Article 43 of the FPO concerning offers of securities to existing creditors; (iv) fall within Article 49(2)(a) to (d) (“high net-worth companies, unincorporated associations, etc.”), of the FPO or (v) are otherwise persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) in connection with the issue, transfer or sale of any CRV Interests may otherwise lawfully be communicated or caused to be communicated (all such persons together being referred to as “**relevant persons**”). This document is directed only at relevant persons and must not be acted on or relied on by persons who are not relevant persons. Any investment or investment activity to which this document relates is available only to relevant persons, and will be engaged in only with relevant persons.

Cayman Islands

There is no registration required nor will any registration be made under the Securities Investment Business Law in the Cayman Islands or with the Cayman Islands Monetary Authority in relation to this Explanatory Statement. This Explanatory Statement is only distributed to Scheme Creditors such that it does not represent an offer to the public in the Cayman Islands under any law in the Cayman Islands.

Hong Kong

WARNING: This document has not been and will not be registered with the Securities and Futures Commission of Hong Kong, the Registrar of Companies of Hong Kong or any other regulatory authority in Hong Kong. The CRV Interests have not been and will not be offered, issued, transferred or sold in Hong Kong, by means of any document, other than: (a) to “professional investors” as defined in Section 1 of Part 1 of Schedule 1 to the Securities and Futures Ordinance (Cap. 571) of Hong Kong (as amended from time to time, the “SFO”) and any rules made under the SFO; or (b) in other circumstances which do not result in the document being a “prospectus” as defined in the Companies (Winding Up and Miscellaneous Provisions) Ordinance (Cap. 32) of Hong Kong (as amended from time to time, the “Companies (WUMP) Ordinance”) or which do not constitute an offer to the public or an invitation for offers by the public within the meaning of the Companies (WUMP) Ordinance. No advertisement, invitation or document relating to the CRV Interests may be issued or distributed to or may be in the possession of any person other than with respect to the CRV Interests which are or are intended to be disposed of only to persons outside Hong Kong or to “professional investors” within the meaning as defined in the SFO and any rules made under the SFO. **WARNING:** The contents of this document have not been reviewed by any regulatory authority in Hong Kong. You are advised to exercise caution in relation to the Scheme. If you are in any doubt about any of the contents of this document, you should obtain independent professional advice.

PRC

This document has not been and will not be submitted to the China Securities Regulatory Commission or any securities regulatory authority under the State Council of the PRC or any department authorised by the State Council of the PRC for examination and approval.

The CRV Interests have not been and will not be offered, issued, transferred or sold, directly or indirectly, in the PRC, by means of any document, other than in circumstances which do not constitute an offer or issuance of securities to the public within the meaning of the Company Law of the PRC or the Securities Law of the PRC.

A Scheme Creditor with a registered address in the PRC shall be responsible for obtaining the required approvals, consents, permits, authorizations and orders from all relevant government authorities in the PRC, including but not limited to, the State Administration of Foreign Exchange, before participating in the Scheme and receiving the CRV Interests under the Scheme. This document does not constitute any investment advice to any entity incorporated or established in the PRC.

General

Scheme Creditors should consult their own legal, financial and tax advisers with respect to the legal, financial and tax consequences of the Scheme in their particular circumstances.

Disqualified Persons and Non-Respondent Creditors

Without limiting the information set out in the *"Important Securities Law Notices"* section of this document, the CRV Interests will not be issued or delivered to a Scheme Creditor (or its Nominated Recipient, as applicable) pursuant to the Scheme where such a Scheme Creditor (or its Nominated Recipient, as applicable) is a Disqualified Person. When nominating a Nominated Recipient, a Scheme Creditor who is a Disqualified Person will be required to represent and warrant to the Company and the CRV Trustee that it will retain no beneficial interest in the CRV Interests to be received by the Nominated Recipient.

Scheme Consideration under the Scheme

Each Scheme Creditor (or its Nominated Recipient, as applicable) shall receive its Scheme Consideration in accordance with the provisions of the Scheme Document, provided that if a Scheme Creditor has exercised their right to make a CRV Election, a validly completed CRV Election Letter which includes a confirmation that it (or its Nominated Recipient, if applicable) is an Eligible Person, must be received by the Information Agent on behalf of such Scheme Creditor (and, where applicable, its Nominated Recipient) on or prior to the CRV Election Deadline (the CRV Election Deadline may be extended for Scheme Creditors that hold an Undetermined Provable Claim).

The Bond Trustee will receive the Scheme Consideration in respect of its Admitted Claim on behalf of, and on trust for, the Bondholders (and therefore the Bond Trustee will not make a CRV Election for itself). In accordance with the Extraordinary Resolution and the MoU Committee Letter, the Bond Trustee has been instructed to vote the Admitted Claim it holds in favour of the Scheme. Bondholders will be offered the opportunity to make that Bondholder CRV Election via the Clearing Systems.

NONE OF THE CRV INTERESTS SHALL BE SOLD, ISSUED OR TRANSFERRED IN ANY JURISDICTION IN CONTRAVENTION OF APPLICABLE LAW.

IMPORTANT NOTICE TO SCHEME CREDITORS

Forward-looking statements

This document contains certain forward-looking statements with respect to the outcome of the Scheme and certain aspects of the Administration. These forward-looking statements can be identified by the fact that they do not relate only to historical or current facts. Forward-looking statements often use words such as "anticipate", "target", "expect", "estimate", "intend", "plan", "goal", "believe", "will", "may", "should", "would", "could" or other words of similar meaning. These statements are based on numerous assumptions and assessments made by the Joint Administrators, in light of their experience and their perception of expected future developments and other factors which they believe appropriate. By their nature, forward-looking statements involve risk and uncertainty, and the factors described in the context of such forward-looking statements in this document could cause actual results and developments to differ materially from those expressed in or implied by such forward-looking statements. You should review carefully Part 7 (*Risk Factors*) of Section I (*Explanatory Statement*) for a more complete discussion of the risks associated with such statements, the Scheme Consideration and the Transaction.

Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described herein. The Joint Administrators do not assume any obligation to update or correct or revise any forward-looking statements contained in this Explanatory Statement to reflect any change of expectations with respect thereto or any change in event, situation or circumstances on which any such forward-looking statement was based or actual results, and each Joint Administrator expressly disclaims any intention or obligation to take any such action.

Risk Factors

SCHEME CREDITORS' ATTENTION IS DRAWN TO CERTAIN RISKS ASSOCIATED WITH THE TRANSACTION THAT ARE SET OUT IN PART 7 (*RISK FACTORS*) OF SECTION I (*EXPLANATORY STATEMENT*) OF THIS DOCUMENT.

These important risk factors could affect any potential investment by Scheme Creditors in the CRV.

Legal, Tax and Financial Advice

Scheme Creditors should not construe the contents of this document as legal, tax or financial advice. Scheme Creditors are recommended to consult their own professional advisers as to legal, tax, financial or other matters relevant to the actions Scheme Creditors should take in relation to the Scheme, or the implications and/or consequences of those actions.

Scheme Document Content

Nothing in this document or any other document issued with or appended to it should be relied on for any purpose other than to make a decision with respect to the Scheme. In particular, and without limitation, nothing in this document or any other document issued with or appended to it should be relied on in connection with a decision whether to make a CRV Election to receive CRV Interests. This document has been prepared in connection with the proposal in relation to schemes of arrangement under Part 26 of the Companies Act between the Company and its Scheme Creditors.

The information contained in this document has been prepared based upon information available to the Company as of the date of this document. The Company has taken all reasonable steps to ensure that this document contains the information reasonably necessary to enable the Scheme Creditors to make an informed decision about the effect of the Scheme on them.

None of the Advisers has verified that the information contained in this document is in accordance with facts and does not omit anything likely to affect the import of such information and each of the Advisers expressly disclaims responsibility for such information.

Any summary of the principal provisions of the Scheme Document and any Other Scheme Document contained in this document is qualified in its entirety by reference to the Scheme Document and the relevant Other Scheme Document itself, descriptions of which are set out in Part 5 (*Summary of certain Other Scheme Documents*) of Section I (*Explanatory Statement*). The Scheme Document is set out in Section II (*Scheme Document*) and copies of certain of the Other Scheme Documents are included in Section V (*Other Scheme Documents*). Each Scheme Creditor is advised to read and consider carefully the text of the Scheme Document in Section II (*Scheme Document*) and in the event of a conflict between the information and terms described in the Explanatory Statement and the Scheme Document, the terms of the Scheme Document shall prevail.

Neither the Bond Trustee, the CRV Trustee, the Information Agent nor any of their respective officers, directors, employees, agents or affiliates has been involved in the negotiation of the terms of the Scheme Document or has independently verified the statements and information contained in this document and no such party makes any representation or warranty, express or implied, or assumes any responsibility, as to the accuracy or adequacy of their contents. Each Scheme Creditor must make its own commercial decision whether to support the Scheme and should seek its own independent advice in this regard.

The Explanatory Statement is not a prospectus within the meaning of Article 8 of the Prospectus Regulation, or a prospectus equivalent document.

SECTION I: EXPLANATORY STATEMENT

Part 1: Letter from the Joint Administrators

[29 June] 2020

To Scheme Creditors

Dear Sirs / Madams,

1. INTRODUCTION

- 1.1 On 11 June 2020, the Joint Administrators posted the Practice Statement Letter on the Administration Website and the Scheme Website, giving notice of the Company's intention to launch the Scheme. On 12 June 2020, Joint Administrators sent the Practice Statement Letter to all those persons who the Joint Administrators believe are or may be Scheme Creditors. The Practice Statement Letter was sent by post and, where the Joint Administrators held such details, by email.
- 1.2 The purpose of this letter is to provide a further brief explanation of the Scheme which is described in this Explanatory Statement, and its effect should it become effective. The Company, acting by its Joint Administrators, proposes to seek the sanction of the High Court in respect of the Scheme should it first be approved by the requisite majority of Scheme Creditors at the Scheme Meeting to be convened for that purpose.
- 1.3 This letter forms Part 1 of an Explanatory Statement which has been sent to you for the reasons set out below. In considering the action to take in relation to the Scheme, you should not rely exclusively on this letter – you should also consider the more detailed information contained or incorporated by reference in the Explanatory Statement, as described below. If you are in any doubt as to the action you should take, you should consult your professional adviser without delay.
- 1.4 Unless stated otherwise, defined terms used in this letter have the meanings given to them in Part 8 (*Definitions and Interpretation*) of Section I (*Explanatory Statement*).

2. PURPOSE OF THE EXPLANATORY STATEMENT

The purpose of the Explanatory Statement is to provide you with sufficient information to make an informed decision on whether or not to approve the Scheme at a meeting of Scheme Creditors which is scheduled to take place at 10:00 a.m. on 20 July 2020.

3. WHAT IS A SCHEME OF ARRANGEMENT

- 3.1 Under English law, a scheme of arrangement of the kind proposed by the Company (acting by the Joint Administrators) is a compromise or arrangement provided for under Part 26 of the Companies Act which will take effect between a company and its creditors (or any class of them) and become binding on all the creditors to whom it applies if:
 - (a) a majority in number representing 75 per cent in value of the creditors (or each class of creditors) present and voting either in person or by proxy at each meeting ordered to be convened by the High Court agrees to the compromise or arrangement;
 - (b) the High Court subsequently sanctions the compromise or arrangement; and
 - (c) a copy of the order of the High Court to that effect is delivered to the Registrar of Companies for registration.
- 3.2 If a scheme becomes effective, it will bind the company and all the creditors to whom it applies, being in this case the Scheme Creditors and the Company, whether they voted in favour of the scheme or not.

4. **WHO IS A SCHEME CREDITOR**

The Scheme is proposed between the Company and the Scheme Creditors. You will be a Scheme Creditor if you have a Provable Claim (including, for the avoidance of doubt, any Admitted Claim whether unpaid or paid in part), subject to certain limited exceptions, as further explained in paragraphs 2 (*Identity of Scheme Creditors*) and 3 (*Non Scheme parties*) of Part 3 (*Overview of the Transaction and Scheme*) of Section I (*Explanatory Statement*).

5. **BACKGROUND TO THE SCHEME**

- 5.1 Following their appointment, the Joint Administrators considered the possibility of commencing the Enforcement Related Claims against certain individuals and entities in respect of the facts and matters set out at paragraph 2 of Part 2A (*Background to the Transaction and the Scheme*) and Part 2B (*Summary of Enforcement Related Claims*) of Section I (*Explanatory Statement*).
- 5.2 The Joint Administrators considered the merits and practical implications of bringing the Enforcement Related Claims on behalf of the Company and undertook preparatory work with an intention to commence the Enforcement Related Claims. Around the same time, the Joint Administrators engaged in discussions with certain creditors who wanted the Joint Administrators to pursue the Enforcement Related Claims and certain other creditors whose commercial objective was instead to recover the maximum cash distributions as soon as possible (and who therefore did not support the pursuit of the Enforcement Related Claims, which they thought would be likely to delay distributions).
- 5.3 In late 2017, the Joint Administrators commenced discussions with certain of the Company's largest creditors, namely CRM, Jianlong and an ad hoc committee of Bondholders representing approximately 40 per cent in aggregate of the principal value of all Bonds (the "**Ad Hoc Committee**"), with respect to a structure by which: (a) the Joint Administrators would declare a dividend of the available cash remaining in the Company's estate; (b) the Enforcement Related Claims could be transferred to a special purpose vehicle in which those creditors of the Company who wished to obtain a share of any recoveries from litigating the Enforcement Related Claims would receive a beneficial interest in exchange for contributing their pro rata portion of the available cash in order to fund the litigation; and (c) those creditors of the Company who preferred to obtain their share of the available cash, would be entitled to receive a cash distribution, would not fund the litigation of the Enforcement Related Claims and would not share in any recoveries resulting from the litigation.
- 5.4 Separately, the Joint Administrators also took steps in order to ascertain the extent to which third parties might be interested in acquiring the Enforcement Related Claims (and at what price) by launching a public sales process of the Enforcement Related Claims on 16 March 2020. A number of parties engaged with the process, and were provided with access to a confidential data room containing a significant amount of information about the Enforcement Related Claims. Ultimately, however, no parties submitted bids to acquire the Enforcement Related Claims for cash and only one party submitted a bid of any sort. After consideration, and consultation with certain significant creditors, the Joint Administrators declined this bid on the basis that it did not present a better result for the Company's creditors as a whole than the Transaction. Further details of this sale process can be found at paragraph 2 of Part 2A (*Background to the Transaction and the Scheme*) of Section I (*Explanatory Statement*).
- 5.5 Following the discussions and the sales process described above, the Joint Administrators considered that it was appropriate to propose a scheme of arrangement to distribute the Company's cash and its interest in the Enforcement Related Claims in a way which enables creditors to elect to receive the form of consideration which best suits their interests.
- 5.6 Pursuant to the Scheme, each Scheme Creditor will be entitled to receive or direct the application of its Pro Rata Allocation of Scheme Consideration in accordance with the terms of the Scheme. Each Scheme Creditor will be entitled (but not obliged) to use its Pro Rata Allocation of Scheme Consideration to acquire an interest in the CRV, to which the Enforcement Related Claims will be assigned. The CRV Trustee will then be able to consider and take advice on the Enforcement Related Claims (and the documents relating to those Claims which are to be transferred to the CRV Trustee pursuant to the Deed of Assignment) and, if it chooses, commence proceedings in respect of the Enforcement Related Claims, prior to the expiry of applicable statutory limitation deadlines on those Claims. The Scheme, therefore, effects a compromise between the Company and its Scheme Creditors and provides a platform by which

interests in the Enforcement Related Claims can be distributed to Scheme Creditors fairly according to their wishes. Pursuant to the Scheme, the Scheme Creditors will have the opportunity, but not the obligation, to invest their cash distribution in the CRV in the hope of obtaining a share of any recoveries from the Enforcement Related Claims, whilst those creditors who are not interested in the pursuit of, or possible recovery from, the Enforcement Related Claims will instead receive an immediate cash distribution.

6. **WHO ARE THE SCHEME PARTIES?**

From the Scheme Effective Date, all Scheme Creditors (including those who do not vote in favour of the Scheme), the Joint Administrators and the Company will be bound by the terms of the Scheme, along with the CRV Trustee and the Information Agent. The CRV Trustee and the Information Agent will be required to be bound by, and take certain steps in relation to, the Scheme, pursuant to undertakings.

7. **WHAT RIGHTS ARE COMPROMISED BY THE SCHEME**

7.1 Upon the Scheme Effective Date: (a) each Scheme Creditor will unconditionally and irrevocably release a portion of all of its Admitted Claims (the Released Portion) in consideration for its Pro Rata Allocation of Scheme Consideration; and (b) each Scheme Creditor will absolutely and irrevocably release and discharge all Claims against each of the Company and the Protected Parties, subject to certain exceptions. The releases are summarised in Part 3B (*Summary of the Terms of the Scheme Document*) and Part 5 (*Summary of Certain Other Scheme Documents*) of Section I (*Explanatory Statement*), as well as at Clause 8 of the Scheme Document at Section II (*Scheme Document*), and their full terms are contained in Clauses 3 and 4 of the Deed of Release at Part 3 (*Deed of Release*) of Section V (*Other Scheme Documents*).

7.2 The Bond Trustee holds an Admitted Claim in respect of the Bonds. The Scheme will compromise the Admitted Claim held by the Bond Trustee. Each Bondholder will be given the opportunity, but not the obligation, to elect whether to receive an immediate cash distribution or to cause the cash distribution they would otherwise be entitled to receive (in each case net of any amounts provided for in the Trust Deed and in the Extraordinary Resolution) to be contributed to the CRV in exchange for an interest in the CRV, which will allow the Bondholders to obtain a share of any recoveries from the Enforcement Related Claims. The Bondholders will be offered the opportunity to make that election via the Clearing Systems. Details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election will be set out in a notice published by the Bond Trustee via the Clearing Systems.

8. **HOW WILL THE SCHEME CONSIDERATION BE DISTRIBUTED?**

Details of how Scheme Consideration will be distributed to Scheme Creditors under the Scheme are set out at paragraph 6 of Part 3 (*Overview of the Transaction and Scheme*) of Section I (*Explanatory Statement*). In summary:

- (a) in exchange for each Scheme Creditor agreeing to release a portion of all of its Admitted Claims, each Scheme Creditor will be entitled to receive or direct the application of its Pro Rata Allocation of Scheme Consideration in accordance with the terms of the Scheme. Subject to completing a CRV Election Letter (and submitting KYC Documents and, if applicable, a Nominated Recipient Form), each Scheme Creditor shall be entitled to elect to direct the Company to transfer an amount equal to its Cash Consideration to the CRV Trustee in exchange for the CRV Trustee issuing CRV Interests to that Scheme Creditor in a nominal amount equal to its Pro Rata Allocation of Scheme Consideration (being a “**CRV Election**”). If a Scheme Creditor makes a CRV Election, that Scheme Creditor shall be entitled to have its name (or the name of its nominee) entered on the CRV’s beneficiary register by the CRV Trustee on the Distribution Date and shall thereafter be entitled to share in the property of the CRV and in any proceeds and/or recoveries accrued by litigating the Enforcement Related Claims;
- (b) no action is required from a Scheme Creditor to be entitled to receive its Cash Consideration on the Distribution Date. Any cash to be distributed to Scheme Creditors in accordance with the terms of the Scheme shall be made by the Company using the payment details for each Scheme Creditor that have been communicated to the Joint Administrators. **If your bank details have changed from the details which you last communicated to the Joint Administrators, you**

must provide updated details to the Joint Administrators as soon as possible, and at the latest by the Bar Date. Failure to do so may result in a delay to cash payments being made to you, or payments being made to the incorrect bank account;

- (c) any CRV Interests required to be issued to Scheme Creditors in connection with this Scheme shall be issued by the CRV to Scheme Creditors directly, and not by or through the Company or the Joint Administrators. The CRV Trustee will administer and procure the issuance of CRV Interests in accordance with the terms of the Scheme. The Company's and the Joint Administrators' obligations to provide Scheme Consideration to a Scheme Creditor that has made a CRV Election shall be wholly discharged and satisfied by the Company transferring an amount in cash equal to that Scheme Creditor's Cash Consideration to the CRV Trustee. Neither the Company nor the Joint Administrators shall be liable for any failure by the CRV to issue CRV Interests in connection with the Scheme;
- (d) Scheme Creditors who wish to make a CRV Election must provide a completed CRV Election Letter (including KYC Documentation and, as applicable, a Nominated Recipient Form) by 5.00 p.m. (London time) on 3 August 2020 (the CRV Election Deadline). Scheme Creditors who fail to do so will not be entitled to make a CRV Election (the CRV Election Deadline may be extended for Scheme Creditors that hold Undetermined Provable Claims); and
- (e) details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election will be set out in a notice to be published by the Bond Trustee via the Clearing Systems. For the avoidance of doubt, (i) any distribution of cash to Bondholders shall be administered by the Bond Trustee, and shall not be the responsibility of the Company or the Joint Administrators, and (ii) any CRV Interests required to be issued to Bondholders in connection with a Bondholder CRV Election shall be issued by the CRV to Bondholders directly, and not by or through the Company or the Joint Administrators.

9. **BAR DATE**

- 9.1 All Provable Claims (other than Admitted Claims) must be proved for by the Bar Date. Scheme Creditors who hold Admitted Claims are not required to submit further proofs of debt in respect of their Provable Claim.
- 9.2 Each Scheme Creditor irrevocably and unconditionally releases and waives any entitlement to assert, any and all Provable Claims in respect of which no proof of debt has been submitted to, and received by, the Company by the Bar Date (an "**Unsubmitted Claim**"). Each Scheme Creditor will not be entitled to receive any Scheme Consideration pursuant to the Scheme in respect of such Unsubmitted Claims and will not be able to recover or receive any payments for such Unsubmitted Claims in the Administration (even if further assets become available for distribution after the Scheme Effective Date). Each Scheme Creditor acknowledges and agrees that it shall have no right to prove for any Unsubmitted Claim after the Bar Date, and such Unsubmitted Claims will be fully and irrevocably extinguished.
- 9.3 Given the length of time since the commencement of the Administration and the high-profile nature of the Administration, the Joint Administrators consider the imposition of the Bar Date to be reasonable in the circumstances.
- 9.4 If the Joint Administrators believe that you may be a Scheme Creditor (and are in possession of your contact details) a blank form of proof of debt should have been provided to you. If not, a blank form of proof of debt can be found at Part 1 Section B (*Proof Of Debt Form*) of Section IV (*Instruction Packet*), or can otherwise be obtained from the Administration Website, or upon request from the Information Agent by email to LM@glas.agency.

10. **TAX**

See Part 6 (*Taxation*) of Section I (*Explanatory Statement*), regarding certain material tax consequences associated with the Scheme.

11. VOTING VALUE

- 11.1 If you are a Scheme Creditor holding an Admitted Claim or an Undetermined Provable Claim (which has been submitted by the Record Date), you are entitled to attend and vote at the Scheme Meeting, pursuant to your allocated Voting Value that has been calculated by the Joint Administrators in accordance with paragraph 4.7 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*) .
- 11.2 In the event that you submit a proof of debt in respect of a Provable Claim by the Record Date, such Provable Claim will constitute an Undetermined Provable Claim for voting purposes and be ascribed a Voting Value in the same manner as other Undetermined Provable Claims in accordance with paragraph 4.7 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*).

12. VOTING AT THE SCHEME MEETING

- 12.1 Information concerning how Scheme Creditors can attend and vote at the Scheme Meeting (in person or by appointing a proxy) is set out in paragraph 3 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*).
- 12.2 In summary, in light of the COVID-19 pandemic, it is unclear whether government guidance relating to social-distancing will allow for a Scheme Meeting to be held in person. The Joint Administrators are cognisant that even if social-distancing rules are relaxed by the date of the Scheme Meeting such that the Scheme Meeting is able to be held in person, certain Scheme Creditors may nevertheless be reluctant to attend. Accordingly, the Scheme Meeting will be conducted by video and telephone conference.
- 12.3 In order to receive the video and telephone dial-in details for the Scheme Meeting, Scheme Creditors must complete Registration by 5.00 p.m. (London time) on 15 July 2020 (the Registration Deadline) in accordance with paragraphs 3.5 and 3.6 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*). Once Registration has been completed, the Information Agent will also provide Scheme Creditors with log-in details to the secure portal on the Scheme Website (the “**Portal**”), which has been set-up in order to facilitate the provision of the information requested in the Instruction Packet, including enabling Scheme Creditors to vote on the Scheme ahead of the Scheme Meeting.
- 12.4 If a Scheme Creditor is a company or corporation and wishes to attend the Scheme Meeting and vote, it must appoint an Authorised Person to act as its representative at the Scheme Meeting and provide information that verifies the identity of the Authorised Person and the authority pursuant to which they are entitled to vote on behalf of the Scheme Creditor at the Scheme Meeting. If a Scheme Creditor wishes to appoint the Chairman or a nominee to act as their proxy at the Scheme Meeting, they must submit a Proxy Form to the Information Agent by 5.00 p.m. (London time) on 15 July 2020 (the Voting Instruction Deadline).
- 12.5 Before 12.00 p.m. (London time) on 19 July 2020 (the Remote Voting Deadline), Scheme Creditors may vote on the Scheme before the Scheme Meeting via the Portal or by completing and emailing the Voting Form to the Information Agent using the email address provided during Registration. Scheme Creditors who vote in advance of the Scheme Meeting may also attend the Scheme Meeting and vote differently to any vote which they have cast remotely, prior to the meeting. In those circumstances, only the vote cast at the Scheme Meeting will be considered by the Chairman.
- 12.6 The Bond Trustee has been instructed to vote the Admitted Claim that it holds in favour of the Scheme. Therefore, Bondholders do not need to take any further action in respect of voting on the Scheme and are not entitled to attend the Scheme Meeting.
- 12.7 **Scheme Creditors who believe they have a Provable Claim but have not yet submitted a proof of debt, are urged to do so as soon as possible. Scheme Creditors who have not filed a proof of debt by 5.00 p.m. (London time) on 13 July 2020 (the Record Date) will not be able to vote at the Scheme Meeting.**

- 12.8 **Scheme Creditors who wish to appoint a proxy to vote on their behalf at the Scheme Meeting must complete Registration and provide a Proxy Form to the Information Agent as soon as possible and by no later than 5.00 p.m. (London time) on 15 July 2020 (the Voting Instruction Deadline).**

13. **IMPLEMENTATION OF THE SCHEME**

- 13.1 In order for the Scheme to become effective, it must be approved by a majority in number representing not less than 75 per cent in value of those Scheme Creditors who vote at the Scheme Meeting. Where creditors have rights which are so dissimilar as to make it impossible for them to consult together with a view to their common interest, they must be split into separate classes and a separate Scheme Meeting must be held for each class.
- 13.2 The Joint Administrators have considered the present rights of each of the Scheme Creditors, the way in which those rights will be affected under the Scheme and having taken legal advice, privilege in which is not waived, have concluded that the Scheme Creditors fall into a single class for the purposes of voting on the Scheme at the Scheme Meeting.
- 13.3 If the Scheme is approved by the Scheme Creditors, the Scheme Sanction Hearing to sanction the Scheme is expected to take place at the High Court on 27 July 2020. If the High Court sanctions the Scheme, and it becomes effective in accordance with its terms, it will be binding on all Scheme Creditors.
- 13.4 The effectiveness of the Scheme is conditional on: (a) delivery of the Court Order sanctioning the Scheme to the Registrar of Companies; and (b) the transfer of the Enforcement Related Claims to the CRV pursuant to the Deed of Assignment.
- 13.5 It is a condition to the effectiveness of the Scheme that the transfer of the Enforcement Related Claims to the CRV Trustee is completed pursuant to the Deed of Assignment. If the Deed of Assignment is not executed, the Enforcement Related Claims will not be assigned to the CRV and the Scheme will not become effective in accordance with its terms.
- 13.6 If the Scheme Effective Date does not occur on or before the Longstop Date, the terms of and the obligations on the parties under or pursuant to the Scheme shall lapse and all the compromises and arrangements provided by the Scheme and any releases granted pursuant to the Scheme shall be of no effect and shall be construed as if it had never become effective, and the rights and obligations of the Scheme Creditors shall not be affected and shall be reinstated and remain in full force and effect.

14. **EXPECTED BENEFITS OF THE SCHEME**

- 14.1 The Joint Administrators are of the view that the implementation of the Scheme would benefit:
- (a) each Scheme Creditor, who by virtue of its rights under the Scheme, will be entitled to receive an immediate cash distribution, whilst having the opportunity, but not the obligation, to use that distribution to acquire an interest in the CRV (and, through the CRV, to obtain a share of any future recoveries from the Enforcement Related Claims); and
 - (b) the Company, by enabling the realisation of value from the Enforcement Related Claims (through the release of a proportion of each Admitted Claim) and facilitating a distribution of cash and non-cash assets (in the form of Enforcement Related Claims) through the Scheme in order to assist the Joint Administrators in making progress in the conduct of the Company's administration.

15. **WHAT HAPPENS IF THE SCHEME DOES NOT BECOME EFFECTIVE**

- 15.1 The Joint Administrators consider that if the Scheme does not become effective:
- (a) the Enforcement Related Claims will not be transferred to the CRV Trustee by way of the Deed of Assignment. Scheme Creditors will not have the opportunity to receive CRV Interests;
 - (b) the Joint Administrators are unlikely to pursue the Enforcement Related Claims because: (i) there is no consensus amongst the Company's creditors as to whether those Claims should be

pursued; (ii) the Company's estate is unlikely to have sufficient funds to pursue the Claims; and (iii) as far as the Joint Administrators are aware, there is insufficient appetite on the part of the Scheme Creditors for the Administration to remain open whilst the Enforcement Related Claims are pursued by the Company;

- (c) the Joint Administrators may be invited by creditors to consider and implement other mechanisms by which the Enforcement Related Claims may be transferred to the CRV Trustee (or other vehicle under the control of some or all of the Company's creditors) or to a third party. Such a mechanism may increase the costs of the Administration, decrease the amount of cash available for distribution to creditors, and not contain the same fairness safeguards that are inherent in schemes of arrangement; and
- (d) there will be less time for the CRV Trustee (if it takes an assignment of the Enforcement Related Claims outside of the Transaction) or any other assignee of the Enforcement Related Claims to consider those Claims and commence Proceedings before the expiry of applicable statutory limitation periods.

15.2 For the avoidance of doubt, the Scheme does not resolve all issues in the Administration. Regardless of whether the Scheme becomes effective in accordance with its terms, the Company will remain in administration and any remaining assets will be distributed in accordance with the Insolvency Act and the Insolvency Rules.

16. UNDERTAKINGS IN SUPPORT OF THE SCHEME

- 16.1 Pursuant to an Extraordinary Resolution and the MoU Committee Letter, the Bond Trustee has been instructed to, amongst other things, vote the Admitted Claim it holds in favour of the Scheme.
- 16.2 On 11 June 2020, a Memorandum of Understanding was entered into by the Joint Administrators and the Bond Trustee and, on 12 June 2020, it was entered into by Jianlong. It is currently with CRM for signature.
- 16.3 Pursuant to the Memorandum of Understanding, Jianlong and the Bond Trustee (who shall not be required to take any action unless authorised and properly instructed to do so) and, upon its execution, CRM, have undertaken to (among other things) vote in favour of the Scheme. Together, the Bond Trustee and Jianlong represent approximately 85.7 per cent of Admitted Claims.

17. RISK FACTORS

Scheme Creditors should be aware that there are certain risks associated with this Scheme and in particular with an investment in the CRV through the making of a CRV Election to receive CRV Interests. A summary of certain significant risks is set out in Part 7 (*Risk Factors*) of Section I (*Explanatory Statement*).

18. ACTION TO BE TAKEN

Having considered the contents of this letter, Scheme Creditors should take the following steps:

- (a) consider the documentation provided with this letter carefully and, if necessary take professional advice in relation to its terms;
- (b) if applicable, submit a proof of debt in respect of Provable Claims as soon as possible and in any event (i) on or before 5.00 p.m. (London time) on 13 July 2020 to be able to vote at the Scheme Meeting; and (ii) by 5.00 p.m. (London time) on 3 August 2020 to be entitled to receive a Pro Rata Allocation of Scheme Consideration and participate in any further distributions in the Administration;
- (c) if Scheme Creditors wish to attend and vote at the Scheme Meeting, complete Registration by 5.00 p.m. (London time) on 15 July 2020 in accordance with paragraph 3 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*);

- (d) if Scheme Creditors wish to appoint a proxy to vote on their behalf at the Scheme Meeting, submit a Proxy Form by 5.00 p.m. (London time) on 15 July 2020 in accordance with paragraph 3 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*) and Part 3 (*Proxy Form*) of Section IV (*Instruction Packet*); and
- (e) if Scheme Creditors wish to make a CRV Election, submit a CRV Election Letter, together with KYC Documentation and, if applicable, a Nominated Recipient Form by 5.00 p.m. (London time) on 3 August 2020 in accordance with paragraph 3 of Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*) and Part 4 (*Crv Election Letter*) of Section IV (*Instruction Packet*) (however, the CRV Election Deadline may be extended for Scheme Creditors that hold an Undetermined Provable Claim).

19. **JOINT ADMINISTRATORS' RECOMMENDATION**

- 19.1 In light of the position agreed with the Company's largest creditors, the Joint Administrators considered (and continue to consider) it appropriate to propose a scheme of arrangement reflecting the terms agreed.
- 19.2 The Joint Administrators are recommending that all Scheme Creditors support the Scheme on the basis that they: (i) are satisfied with the fairness and appropriateness of the Scheme, and (ii) consider that the Scheme represents a fair outcome for all Scheme Creditors.

Yours faithfully

Ian Wormleighton / Nicholas Edwards

Joint Administrators acting as agent for and on behalf of African Minerals Limited (in administration) without personal liability.

Part 2A: Background to the Transaction and the Scheme

1. OVERVIEW OF THE GROUP

- 1.1 The Company was incorporated on 26 March 1986 in Canada, and was later registered under the laws of Bermuda on 29 January 2004 as an exempted company. The Company is a mineral exploration and development company. Prior to 16 April 2015, it indirectly held significant interests in an iron ore mine (the “**Tonkolili Mine**”) and related infrastructure projects in Sierra Leone, West Africa (the Tonkolili Mine, together with such projects, shall be referred to collectively as the “**Project**”) through:
- (a) the Company’s 100 per cent ownership of four companies registered in Bermuda, namely TIO, African Minerals Engineering Limited, ARPS and African Power Limited (together, the “**Bermuda HoldCos**”); and
 - (b) the Bermuda HoldCos’ majority shareholding in three companies registered in Sierra Leone, namely TIO SL, ARPS SL and African Power (SL) Limited (together, the “**OpCos**”).
- 1.2 As an exempted company, the Company did not carry on business domestically within Bermuda. Prior to 7 April 2015, its shares were admitted to trading on the Alternative Investment Market of the London Stock Exchange. Prior to its administration in March 2015, its main business and commercial activities were carried out from London at all material times.

2. BACKGROUND TO THE ENFORCEMENT RELATED CLAIMS

- 2.1 On 29 March 2012, SISG completed a major investment in the Company and its subsidiaries by investing US\$1.5 billion in return for 25 per cent of the shares of the OpCos. Pursuant to the arrangements which were agreed at the time of the investment, this investment consideration was paid into and held in certain accounts with China Development Bank in Hong Kong (the “**CDB Accounts**”). SISG’s interest in the OpCos was novated to its subsidiary, SSHR upon consummation of the transaction.
- 2.2 By a written agreement dated 5 April 2013, the Company (as parent guarantor), TIO SL and ARPS SL (as borrowers), TIO, ARPS and TIO Trading Limited (as group guarantors), SBSA and SB (as mandated lead arrangers), SB (as account bank, agent and security agent) and SBSA (as original lender) entered into a US\$250 million pre-export finance facility agreement (the facility being referred to herein as the “**PXF Facility**”, and the facility agreement being referred to herein as the “**PXF Facility Agreement**”).
- 2.3 In satisfaction of the conditions precedent set out in the PXF Facility Agreement, the Company (as chargor) and SB (as chargee) executed charges dated 5 April 2013 over its shares in ARPS and TIO (the “**Charged Shares**”) as security for its guarantee of the borrowings of the OpCos under the PXF Facility (the “**Share Charges**”).
- 2.4 As disclosed in various RNS announcements made by the Company during the relevant period, in 2014 the Company’s financial performance was adversely affected by, amongst other things, a reduction in iron ore prices, and the Ebola epidemic in Sierra Leone. In light of these and other issues, and the Company’s need to service its debt, including the PXF Facility, discussions began in the summer of 2014 between the Company and SSHR, over the timing of the release of US\$284 million from the CDB Accounts. In August 2014, both parties agreed to authorise the release of all funds to meet the liquidity needs of the Project.
- 2.5 By the beginning of November 2014, US\$182 million had been released from the CDB Accounts to fund working capital needs, but SSHR’s cooperation to effect the previously agreed release of the balance of US\$102 million was not forthcoming.
- 2.6 On 20 November 2014, trading of the Company’s ordinary shares on the Alternative Investment Market was suspended. In the absence of the release of the restricted cash, in order to address the immediate liquidity issues which the Project then faced, the Company sought to engage with SSHR and other parties over a disposal of part of the Company’s holding in the Project for a fair market value.
- 2.7 In early December 2014, in the absence of sufficient working capital, the Company initiated a temporary controlled shut down of its operations in Sierra Leone. Without release of the restricted cash, the

Company was unable to complete planned cost reduction strategies which would return the operations to cash flow positive status at the then relatively low iron ore prices.

- 2.8 During December and early January, negotiations took place between the Company and SSHR, with the involvement of the Government of Sierra Leone, over the sale of part of the Company's interest in the Project to SSHR (or another subsidiary of SISG). A memorandum of understanding between the parties was developed and initialled for identification only, though never signed.
- 2.9 By early February, SSHR had agreed the release of a further US\$19.7 million from the CDB Accounts, but there was no further engagement on the acquisition of the Company's interest in the Project. The cash was applied to the payment of December and January salaries and taxes due in Sierra Leone, and some other essential payments to fund the care and maintenance of the asset. The remaining balance of funds within the CDB Accounts was US\$82.4 million.
- 2.10 Given SSHR's refusal to permit the CDB Accounts to be released, the Company was unable to service the PXF Facility and defaulted on payments due under the PXF Facility in late November 2014, December 2014 and January 2015, in an aggregate amount of US\$31,249,999. The Company entered into negotiations with the PXF Facility lenders with respect to a potential sales process.
- 2.11 Whilst these discussions with the PXF Facility lenders were continuing, on 27 February 2015, the Company was notified that Shandong Steel Hong Kong Zengli Limited ("**SSHK**"), a subsidiary of SISG, had acquired all of the rights and obligations of all the existing lenders under the PXF Facility. On the same day, Standard Advisory London Limited, as agent, served a notice of acceleration on the borrowers of the PXF Facility of all amounts due and payable under the PXF Facility on the basis of the failure to make scheduled repayments of principal of the PXF Facility, and demanded the guarantee against the Company. Also on 27 February 2015, the borrowers of the PXF Facility were given 31 days' notice of the resignation of (i) Standard Advisory London Limited as agent and (ii) SB as security agent.
- 2.12 On 4 March 2015, Madison Pacific Trust Limited ("**Madison Pacific**"), a Hong Kong incorporated trustee services company, informed the Company that it had been appointed as agent to the then security agent to conduct a sale process in relation to the Charged Shares. On 31 March 2015, Madison Pacific was appointed as replacement facility agent and security agent under the PXF Facility and continued to conduct the sales process in respect of the Charged Shares.
- 2.13 By an application presented to the Chancery Division of the High Court on 26 March 2015, the Company applied for an administration order on the basis that it was cash-flow and balance sheet insolvent, and that its centre of main interest was in England. The Company thereby submitted to the jurisdiction of the courts of England and Wales.
- 2.14 Mr. Ian Colin Wormleighton and Mr. Neville Barry Kahn of Deloitte LLP were appointed as the joint administrators of the Company by the order of Mr. Kevin Prosser QC (sitting as a deputy judge of the Chancery Division of the High Court) dated 26 March 2015 (the "**Administration Order**"). Mr. Neville Barry Kahn retired as a partner of Deloitte LLP and Mr. Nicholas Guy Edwards replaced him as a joint administrator on 2 August 2018. Pursuant to paragraph (1) of the Administration Order, the affairs, business and property of the Company are to be managed by the Joint Administrators during the period for which the Administration Order is in force. Pursuant to the order of District Judge Lambert dated 10 March 2016, the Joint Administrators' appointment and the term of the Company's administration were extended until 25 March 2018. Pursuant to the order of District Judge Alan Johns QC dated 19 March 2018, the Joint Administrators' appointment and the term of the Company's administration were extended until 25 March 2020. Pursuant to the order of District Judge Mauger dated 18 March 2020, the Joint Administrators' appointment and the term of the Company's administration were extended until 25 March 2022.
- 2.15 Immediately following their appointment, the Joint Administrators sought to protect and preserve the assets of the Company, including engaging with SSHK and SISG (together, "**Shandong**") and Madison Pacific regarding the enforcement action and seeking orders from both the UK and HK courts. The Joint Administrators instructed Akin Gump LLP to advise on relevant matters arising during the administration, including advice on the enforcement action taken by Shandong.

- 2.16 At the date of the Joint Administrators' appointment, the sale process being run by Madison Pacific was already close to conclusion. In particular, Madison Pacific had announced that it was looking for indicative bids by 16 March 2015 with a view to concluding a transaction by mid-April. The reason given for the urgency of the sale was the onset of the rainy season in April / May, together with concerns apparently expressed to Madison Pacific by the Government of Sierra Leone that the mine should restart operations as soon as possible.
- 2.17 In their discussions, the Joint Administrators sought to understand the sale process better and to ensure that the Company's interests were being properly dealt with in the circumstances. The Joint Administrators also took the view that the sale process was subject to the statutory moratorium which had come into effect on their appointment.
- 2.18 Subsequently, on 13 April 2015 in the absence of confirmation from Madison Pacific that it intended to observe the moratorium, and in the absence of satisfactory answers to their questions to both Madison Pacific and Shandong regarding the sale process, the Joint Administrators made an urgent application to the High Court. The application sought a letter of request from the English High Court to the High Court of the Hong Kong Special Administrative Region, where Madison Pacific and SSHK are located, seeking their assistance in giving effect to the statutory moratorium to that process. Although the English High Court was prepared to grant the orders sought by the Joint Administrators, the subsequent request for assistance from the Hong Kong Court was declined.
- 2.19 The Joint Administrators were informed on 20 April 2015 that the Charged Shares were sold to SSHR on 16 April 2015. Full details of the sale were not provided to the Joint Administrators, but it is understood that the consideration provided by SSHR was effectively its agreement to repay the amounts then outstanding under the PXF Facility (approximately US\$170 million). The Company was also discharged from its obligations as guarantor of the PXF Facility.
- 2.20 In December 2015, the Joint Administrators received approximately US\$34 million in respect of the RenCap litigation.
- 2.21 Pursuant to District Judge Lambert's order on 10 March 2016, the Joint Administrators were given permission to make distributions, and the Administration was thereby converted into a distributing administration. An interim dividend of 0.77p in the £ was declared on 26 July 2016, and paid shortly thereafter (the "**First Dividend**"). The Company currently has a certain amount of cash available for distribution to the Scheme Creditors after deducting estimated costs and reserves.
- 2.22 In the circumstances, the Joint Administrators considered the possibility of commencing the Enforcement Related Claims against certain individuals and entities to seek damages in respect of the above facts and matters. The Joint Administrators considered the merits and practical implications of bringing the Enforcement Related Claims on behalf of the Company and undertook preparatory work with an intention to commence the Enforcement Related Claims. Around the same time, the Joint Administrators engaged in discussions with certain creditors who wished to see the Enforcement Related Claims litigated and certain other creditors whose commercial objective was instead to recover the maximum cash distributions as soon as possible and who therefore did not support the pursuit of the Enforcement Related Claims, which they considered would be likely to delay distributions.
- 2.23 In late 2017, the Joint Administrators commenced discussions with certain of the Company's largest creditors, namely CRM, Jianlong and an ad hoc committee of Bondholders representing approximately 40 per cent in aggregate of the principal value of all Bonds (the "**Ad Hoc Committee**"), with respect to a structure by which: (i) the Joint Administrators would declare a dividend of the available cash remaining in the Company's estate; (ii) the Enforcement Related Claims could be transferred to a special purpose vehicle in which those creditors of the Company who wished to obtain a share of any recoveries from litigating the Enforcement Related Claims would receive a beneficial interest in exchange for contributing their pro rata portion of the available cash in order to fund the litigation; and (iii) those creditors of the Company who preferred to obtain their share of the available cash, would be entitled to receive a cash distribution, would not fund the litigation of the Enforcement Related Claims and would not share in any recoveries resulting from the litigation. Legal counsel to the Bond Trustee has confirmed to the Joint Administrators that certain holders intend to make a Bondholder CRV Election in order to obtain a beneficial interest in the special purpose vehicle.

- 2.24 In order to ascertain the extent to which third parties might be interested in acquiring the Enforcement Related Claims (and at what price), the Joint Administrators launched a public sales process of the Enforcement Related Claims on 16 March 2020. The sales process was open to any person, and was advertised on the Administration Website. Further, forty parties (or their legal advisers on their behalf) were individually contacted by the Joint Administrators' advisers and invited to participate. Such parties included the Company's largest creditors, Shandong, Madison Pacific and others who were considered to be potentially interested in investing in assets of this type (including distressed investors, special situations funds and litigation funders). A number of parties engaged with the process, and were provided with access to a confidential data room containing a significant amount of information about the Enforcement Related Claims.
- 2.25 Ultimately, however, only one party (the "**Bidder**") submitted a non-binding conditional bid that contemplated the Bidder providing nominal upfront consideration and funding the costs of bringing the Enforcement Related Claims with any recovery net of third party costs to be split 50/50 between the Bidder and the Company's creditors.
- 2.26 After consideration, and consultation with certain significant creditors, the Joint Administrators declined this bid on the basis that it did not present a better result for the Company's creditors as a whole than the Transaction.

Part 2B: Summary of Enforcement Related Claims

1. INTRODUCTION

- 1.1 The following section describes the potential nature of the Enforcement Related Claims for the purpose of ensuring that Scheme Creditors have sufficient information to understand the same.
- 1.2 If the Scheme is sanctioned, it will be for the CRV Trustee to consider in due course (with the benefit of appropriate professional advice) the factual and legal basis on which Enforcement Related Claims may be brought, the appropriate defendants to Enforcement Related Claims, the merits of Enforcement Related Claims, and the jurisdiction in which Enforcement Related Claims may be commenced.
- 1.3 The Joint Administrators do not make any representation or warranty, or provide any advice whatsoever, in respect of any matter relating to the Enforcement Related Claims (including, but not limited to, the factual or legal basis on which Enforcement Related Claims may be brought, the appropriate defendants to Enforcement Related Claims, the merits of Enforcement Related Claims, or the jurisdiction in which Enforcement Related Claims may be commenced).
- 1.4 Further, the Joint Administrators do not intend to, and do not, waive any legal professional privilege in respect of any matter.

2. DESCRIPTION OF ENFORCEMENT RELATED CLAIMS

- 2.1 Without limitation, the Enforcement Related Claims may potentially exist on the basis that:
 - (a) Shandong formed an intention during 2014 and early 2015 to take control over the OpCos;
 - (b) Shandong's strategy for doing so was either to buy the Charged Shares from the Company or, if it was not possible for it to do so at an acceptable price, for it to take ownership of the Charged Shares by engineering a default in the PXF Facility (including by withholding the release of funds from the CDB Accounts) and initiating a security enforcement process in respect of the Charged Shares;
 - (c) Shandong's plan was that Madison Pacific, whom Shandong had appointed as replacement security agent under the PXF Facility, would run the security enforcement sales process in a way that was designed to have the result of delivering the Charged Shares to Shandong for a price no greater than the amounts outstanding under the PXF Facility; and
 - (d) Shandong's plan was implemented by Shandong and Madison Pacific, with Madison Pacific selling the Charged Shares to Shandong at a price which (it may be said) did not represent the best price reasonably obtainable for the Charged Shares.
- 2.2 Without limitation, the Enforcement Related Claims may potentially involve claims against Shandong and connected parties (including Madison Pacific) for conspiracy and/or a claim against Madison Pacific for failing in its duty as mortgagee to obtain the best price reasonably obtainable for the Charged Shares.

3. FURTHER INFORMATION IN RESPECT OF ENFORCEMENT RELATED CLAIMS

- 3.1 Scheme Creditors who wish to receive further information regarding the Enforcement Related Claims are invited to contact the Joint Administrators using the details provided in Section IV (*Instruction Packet*) to request access to the confidential data room that was made available to bidders during the sales process run by the Joint Administrators in respect of the Enforcement Related Claims in around March 2020 (referred to at paragraphs 2.24 to 2.26 of Part 2A (*Background to the Transaction and the Scheme of Section I (Explanatory Statement)*)).
- 3.2 In order to obtain access to the data room, a Scheme Creditor will be required to sign a confidentiality and non-disclosure agreement in the terms required by Joint Administrators.

Part 2C: Creditor support for the Scheme

1. Following the commencement in 2017 of negotiations amongst the Joint Administrators, Jianlong, CRM and the Ad Hoc Committee, on 21 November 2018, the Bondholders approved an extraordinary resolution (the “**Extraordinary Resolution**”) which, amongst other things:
 - (a) approved the Transaction, including the proposed distribution of cash by the Company to its creditors and the option for creditors to elect to direct that cash to a creditor recovery vehicle to pursue the Enforcement Related Claims which the Company would assign to that vehicle;
 - (b) directed the Bond Trustee to enter into the Memorandum of Understanding in the then-current form or such revised form as approved by a committee of Bondholders (“**MoU Committee**”), which contemplated that the Bond Trustee would vote its Admitted Claim in favour of the Transaction; and
 - (c) authorised the Bond Trustee to do all things necessary to give effect to the Transaction, if so instructed by the MoU Committee.
2. Following approval of the Extraordinary Resolution by 99.47 per cent of the Bondholders that voted (including CRM), the Bond Trustee and Jianlong jointly proposed to the Joint Administrators the Memorandum of Understanding.
3. The Memorandum of Understanding was subsequently revised and the revised form was approved by the MoU Committee as contemplated by the Extraordinary Resolution.
4. By a letter dated 8 June 2020 (the “**MoU Committee Letter**”), the MoU Committee instructed the Bond Trustee to, amongst other things: (a) vote in favour of the Scheme; and (b) receive the Scheme Consideration on behalf of, and on trust for, the Bondholders (and therefore the Bond Trustee will not make a CRV Election).
5. The Memorandum of Understanding was entered into by the Joint Administrators and the Bond Trustee on 11 June 2020, and by Jianlong on 12 June 2020. The Memorandum of Understanding expressly contemplates that CRM will accede and it is currently with CRM for signature.
6. The Memorandum of Understanding sets out high level terms of the Scheme and contains legally binding commitments from the Bond Trustee (who shall not be required to take any action unless authorised and properly instructed to do so) and Jianlong (among other things):
 - (a) cooperate in good faith with the other parties to the Memorandum of Understanding and the Joint Administrators and use commercially reasonable endeavours to successfully implement the Transaction in accordance with the Memorandum of Understanding;
 - (b) vote in favour of any resolution or other matter requiring the approval of that party, including the Scheme, and execute and deliver (or authorise a person to execute and deliver on its behalf) within any applicable time period, any document or notice in order to implement the Transaction; and
 - (c) not challenge or object or support any challenge or objection to any terms of the Transaction, the Scheme or any other process which is proposed to implement the Transaction.
7. The obligations of the parties to the Memorandum of Understanding will automatically terminate on the earliest to occur of:
 - (a) if the Scheme is not approved by the requisite consent thresholds at the Scheme Meeting, the date of the Scheme Meeting;
 - (b) if the High Court declines to sanction the Scheme, the date on which the High Court does so;

- (c) if the Scheme has not become effective by the Long Stop Date, the Long Stop Date; and
 - (d) the Scheme Effective Date.
8. In addition, the Memorandum of Understanding may also be terminated by the Majority Creditors (as defined in the Memorandum of Understanding) upon two (2) Business Days' notice to the Company if:
- (a) the Company fails to file a claim form in respect of the Scheme with the High Court by 22 June 2020; or
 - (b) the Scheme Convening Hearing does not occur by 29 June 2020.
9. No fees, payments (other than the payments to be made pursuant to the terms of the Scheme) or other inducements have been, or will be, paid or otherwise made by the Company to any Scheme Creditor pursuant to the terms of the Memorandum of Understanding or the Scheme.
10. In light of the position agreed with the Company's largest creditors,, the Joint Administrators considered (and continue to consider) it appropriate to propose a scheme of arrangement reflecting the terms agreed.

Part 3: Overview of the Transaction and Scheme

This Part 3 (*Overview of the Transaction and Scheme*) contains a brief description of the Scheme. This Part 3 (*Overview of the Transaction and Scheme*) contains a summary only of the principal provisions of the Scheme Document. The Scheme Document set out in full in Section II (*Scheme Document*) contains the terms of the Scheme that will be binding on the Company and all Scheme Creditors if the Scheme is sanctioned by the High Court and becomes effective. In the event of any inconsistency between the summary contained in this Part 3 (*Overview of the Transaction and Scheme*) and the Scheme Document, the terms of the Scheme Document shall prevail.

PART 3A: OVERVIEW OF THE SCHEME

1. OVERVIEW

1.1 The principal purpose of the Scheme is to facilitate the implementation of the Transaction. It will do so by, amongst other things:

- (a) binding all Scheme Creditors to the compromise set out in paragraph 5.3 of Part 1 (*Letter from the Joint Administrators*) of Section I (*Explanatory Statement*);
- (b) effecting the exchange of a proportion of Scheme Creditors' Admitted Claims for Scheme Consideration;
- (c) effecting the absolute and irrevocable release and discharge of any and all other Claims that each Scheme Creditor has or may have against the Company and the Protected Parties, subject to certain exceptions;⁸ and
- (d) granting the Company and Joint Administrators authority on behalf of Scheme Creditors to enter into the Scheme Document and the Other Scheme Documents to which Scheme Creditors are party in order to implement the Transaction.

2. IDENTITY OF SCHEME CREDITORS

2.1 The creditors who are bound by the terms of the Scheme, if it becomes effective, are referred to in the Scheme as Scheme Creditors.

2.2 Subject to the limited exceptions described in paragraph 3 of this Part 3 (*Overview of the Transaction and Scheme*) below, you will be a Scheme Creditor if you hold any Provable Claim(s) against the Company, regardless of whether such claim:

- (a) is an Admitted Claim;
- (b) is an Undetermined Provable Claim, being a claim which has been proved for in the Administration prior to the Bar Date but is yet to be finally adjudicated upon by the Joint Administrators or the High Court; or
- (c) has not yet been proved for in the Administration.

2.3 The Scheme will impact all Provable Claims of a Scheme Creditor, as further explained below.

3. NON SCHEME PARTIES

3.1 The following persons are not Scheme Creditors and are therefore not bound by the Scheme:

⁸ The releases are summarised in Part 3B (*Summary of the Terms of the Scheme Document*) and Part 5 (*Summary of certain Other Scheme Documents*) of Section I (*Explanatory Statement*), as well as at Clause 8 of the Scheme Document at Section II (*Scheme Document*), and their full terms are contained in Clauses 3 and 4 of the Deed of Release at Part 3 of Section V (*Other Scheme Documents*).

- (a) any Bondholder in its capacity as such;
- (b) creditors who only hold Expense Claims; and
- (c) creditors who only hold Non-Provable Claims.

3.2 The Scheme is a compromise and arrangement between, and can only bind, the Company and the Scheme Creditors. Accordingly, the Information Agent and the CRV Trustee, who will be required to perform actions in accordance with the terms of the Scheme have entered, or are expected to enter prior to the date of the Scheme Sanction Hearing, into deeds of undertaking and/or have agreed, or are expected to agree prior to the date of the Scheme Sanction Hearing, to appear at the High Court to undertake to perform those actions.

4. **CLASS COMPOSITION FOR THE SCHEME MEETING**

4.1 The Joint Administrators have considered the present rights of each of the Scheme Creditors, the way in which those rights will be affected under the Scheme and, having taken into account the recent decisions of the English Court and legal advice (privilege in which is not waived), have concluded that the Scheme Creditors fall into a single class for the purposes of voting on the Scheme at the Scheme Meeting.

4.2 The Joint Administrators have considered the class composition of the Scheme and consider that for the class of the Scheme Creditors referred to in paragraph 4.1 of this Part 3 (*Overview of the Transaction and Scheme*) above, the rights of such Scheme Creditors within such class are the same or not so dissimilar as to make it impossible for them to consult together with a view to their common interest because: as unsecured creditors of the Company, the Scheme Creditors rank *pari passu* as between themselves in the Company's administration; and if the Scheme becomes effective in accordance with its terms, those rights will be compromised in materially the same way.

4.3 The Joint Administrators are of this view because all Scheme Creditors shall receive the same entitlements under the Scheme, namely their pro rata amount of the Cash Consideration (subject to the option, in their sole discretion, to convert their pro rata amount into CRV Interests).

4.4 Accordingly, it is proposed that the Scheme Meeting will be convened for the purposes of considering and, if the Scheme Creditors think fit, approving the Scheme.

5. **REPRESENTATIONS**

Scheme Creditors (and their Nominated Recipients, if applicable) will be required to provide the representations and warranties set out in Annex A of this Explanatory Statement (in so far as they are applicable to the relevant Scheme Creditor) in order to make a CRV Election (including in favour of a Nominated Recipient).

6. **RECEIPT OF SCHEME CONSIDERATION**

6.1 Subject to paragraph 6.2 of this Part 3 (*Overview of the Transaction and Scheme*) below, each Scheme Creditor shall be entitled to receive its Cash Consideration on the Distribution Date (however, the Distribution Date may be delayed for Scheme Creditors that hold an Undetermined Provable Claim). No action is required from a Scheme Creditor with an Admitted Claim to be entitled to receive its Cash Consideration on the Distribution Date. Any cash to be distributed to Scheme Creditors in accordance with the terms of the Scheme shall be made by the Company using the payment details for each Scheme Creditor that have been communicated to the Joint Administrators. **If a Scheme Creditor's bank details have changed from the details last communicated to the Joint Administrators, updated details must be provided to the Joint Administrators as soon as possible, and at the latest by the Bar Date. Failure to do so may result in a delay to cash payments being made, or payments being made to the incorrect bank account.**

6.2 Subject to paragraphs 6.3 and 6.4 of this Part 3 (*Overview of the Transaction and Scheme*) below, each Scheme Creditor shall be entitled, in its sole discretion, to elect to direct the Company to transfer an amount equal to its Cash Consideration to the CRV Trustee in exchange for the CRV Trustee issuing CRV Interests to that Scheme Creditor in a nominal amount equal to its Pro Rata Allocation of Scheme

Consideration (being a “**CRV Election**”). If a Scheme Creditor makes a CRV Election, that Scheme Creditor shall be entitled to have its name (or the name of its nominee) entered on the CRV’s beneficiary register by the CRV Trustee on the Distribution Date and shall thereafter be entitled to share in the property of the CRV and in any proceeds and/or recoveries accrued by litigating the Enforcement Related Claims.

- 6.3 A Scheme Creditor wishing to make a CRV Election to receive (or wishing that any Nominated Recipient receives) the CRV Interests to which it is entitled in connection with the terms of the Scheme must ensure that it completes a CRV Election Letter. To complete such CRV Election Letter, a Scheme Creditor will be required to, among other things, represent and warrant in writing that it (or its nominee) is either (i) a “qualified institutional buyer” as defined in Rule 144A under the Securities Act; (ii) an “accredited investor” as defined in Rule 501(a) of Regulation D under the Securities Act; or (iii) (A) a non-U.S. person outside the United States receiving the CRV Interests outside of the United States in an “offshore transaction” in reliance on Regulation S of the Securities Act, and (B) in the European Economic Area, a Scheme Creditor who is not a retail investor (a “retail investor” is defined as a person who is one (or more) of: (x) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”); (y) a customer within the meaning of Directive (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (z) not a qualified investor as defined in Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”). The Scheme will prescribe a date by which Scheme Creditors will be required to submit a CRV Election Letter (and all necessary accompanying documents) to the CRV Trustee and Information Agent in order to make a CRV Election (being the “**CRV Election Deadline**”) (the CRV Election Deadline may be extended for Scheme Creditors that hold Undetermined Provable Claims). All Scheme Creditors must submit their CRV Election Letter (and accompanying documents) to the CRV Trustee and Information Agent, and will also be required to comply with KYC requirements.
- 6.4 Any CRV Interests required to be issued to Scheme Creditors in connection with this Scheme shall be issued by the CRV to Scheme Creditors directly, and not by or through the Company or the Joint Administrators. The CRV Trustee will administer and procure the issuance of CRV Interests in accordance with the terms of the Scheme. The Company’s and the Joint Administrators’ obligations to provide Scheme Consideration to a Scheme Creditor that has made a CRV Election shall be wholly discharged and satisfied by the Company transferring an amount in cash equal to that Scheme Creditor’s Cash Consideration to the CRV Trustee. Neither the Company nor the Joint Administrators shall be liable for any failure by the CRV to issue CRV Interests in connection with the Scheme.
- 6.5 In accordance with the Extraordinary Resolution and the MoU Committee Letter, the Bond Trustee has been instructed to:
- (a) vote the Admitted Claim it holds in favour of the Scheme;
 - (b) receive the Scheme Consideration on behalf of, and on trust for, the Bondholders (and therefore the Bond Trustee will not make a CRV Election for itself); and
 - (c) solicit elections of Bondholders to allow Bondholders, to elect either to receive Cash Consideration in accordance with the terms of the Trust Deed or to make a Bondholder CRV Election.
- 6.6 Details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election will be set out in a notice to be published by the Bond Trustee via the Clearing Systems.
- 6.7 For the avoidance of doubt, (i) any distribution of cash to Bondholders shall be administered by the Bond Trustee, and shall not be the responsibility of the Company or the Joint Administrators, and (ii) any CRV Interests required to be issued to Bondholders in connection with a Bondholder CRV Election shall be issued by the CRV to Bondholders directly, and not by or through the Company or the Joint Administrators or the Bond Trustee.

7. **SCHEME MEETING**

All Scheme Creditors are entitled to vote and attend at the Scheme Meeting. Details of how to do so are set out in Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) of Section I (*Explanatory Statement*).

8. **SANCTION OF THE SCHEME**

8.1 Before the Scheme can become effective and binding on the Company and the Scheme Creditors, the High Court must sanction the Scheme. The Scheme Sanction Hearing will take place if the requisite statutory majority of the Scheme Creditors approves the Scheme at the Scheme Meeting. The Company expects that the Scheme Sanction Hearing will take place on or about 27 July 2020. Should the date of the Scheme Sanction Hearing change, the Company will give notice of the new date of the Scheme Sanction Hearing to the Scheme Creditors.

8.2 All Scheme Creditors are entitled to attend the Scheme Sanction Hearing themselves or through representatives to oppose the sanctioning of the Scheme by the High Court.

8.3 The Company may, at any hearing to sanction this Scheme, consent on behalf of the Scheme Creditors to any modification of the Scheme or Other Scheme Documents on terms or conditions that the High Court may think fit to approve or impose. However, if such modifications could reasonably be expected directly or indirectly to have a material adverse effect on the interests of a Scheme Creditors, then the Company shall not be entitled to provide such consent without the prior written consent of that Scheme Creditor.

9. **SCHEME LODGMENT AND SCHEME EFFECTIVE DATE**

9.1 The Scheme will become effective on the Scheme Lodgment Date (being the date on which the Court Order, if granted, is delivered to the Registrar of Companies). However, the Transaction will not be completed until the Deed of Assignment has become effective in accordance with its terms and the Scheme Effective Date has occurred.

9.2 The assignment of the Enforcement Related Claims by the Company to the CRV will not be executed if the Scheme is not approved by Scheme Creditors and sanctioned by the High Court at the Scheme Sanction Hearing.

10. **OTHER SCHEME DOCUMENTS**

10.1 Pursuant to the Scheme, each of the Scheme Creditors irrevocably authorises the Company at any time following the Scheme Lodgment Date to enter into, execute and deliver as a deed (or otherwise) to the appropriate persons on behalf of each Scheme Creditor (or its Nominated Recipient, as applicable), the Other Scheme Documents which shall become effective and unconditionally and irrevocably binding upon all Scheme Creditors upon the Scheme Effective Date.

10.2 Summaries of certain of the Other Scheme Documents are set out in Part 5 (*Summary of certain Other Scheme Documents*) of Section I (*Explanatory Statement*), copies of which are attached in Section V (*Other Scheme Documents*).

11. **FOREIGN RECOGNITION**

The Company has no assets in Bermuda and the Joint Administrators do not intend to propose a parallel scheme of arrangement in Bermuda or seek recognition of the Scheme in Bermuda.

12. **QUESTIONS**

Scheme Creditors who wish to ask any questions in advance of the Scheme Meeting or the Scheme Sanction Hearing are encouraged to contact the Information Agent in the first instance, or the Joint Administrators. Additionally, Scheme Creditors will have the opportunity at the Scheme Meeting to raise any questions or issues they may have in relation to the Scheme.

PART 3B: SUMMARY OF THE TERMS OF THE SCHEME DOCUMENT

Clause 3: Effectiveness of the Scheme

The Scheme takes effect on and from the Scheme Lodgment Date, on which date the Joint Administrators may execute the Other Scheme Documents on behalf of the Company and each Scheme Creditor. The Other Scheme Documents will only become effective on the date on which the transfer of the Enforcement Related Claims to the CRV is completed pursuant to the Deed of Assignment (unless necessary to become effective earlier to implement the Transaction). On the Scheme Effective Date, the Scheme shall apply to all Provable Claims and will be binding on: all Scheme Creditors; the Company; the Joint Administrators; and each person that has undertaken to be bound by the terms of the Scheme, and their respective successors and assigns.

Clause 4: Grant of Authority in favour of the Company, the Joint Administrators, the Information Agent and others to execute documents and take other actions

Each of the Scheme Creditors (on its own behalf and on behalf of any Nominated Recipient, as applicable) (each a "**Grantor**") authorises the Company and the Joint Administrators (each an "**Attorney**"), as its agent and attorney:

- (a) on and from the Scheme Lodgment Date to execute and deliver the Deed of Release and each Other Scheme Document to which they are a party;
- (b) to agree to any amendments to the Deed of Release and the Other Scheme Documents which the Company and (if applicable) the other persons to be party to the Deed of Release or the relevant Other Scheme Document may deem necessary or desirable in order to ensure that they are up to date, duly executed and binding and enforceable;
- (c) to take any such actions necessary for the ratification, novation or granting of Deed of Release or any Other Scheme Document; and
- (d) to carry out any related or ancillary actions that the Company considers necessary for the purposes of implementing the Scheme or the Transaction.

The release granted by each Scheme Creditor pursuant to the Deed of Release, as well as the Other Scheme Documents, are subject to a number of limitations.

The Scheme Creditors authorise the CRV Trustee and the Information Agent on and from the Scheme Lodgment Date to act in accordance with the applicable Administrative Parties Undertakings to execute all documents (including, without limitation, the Other Scheme Documents) and to do all acts or things as may be necessary for the purposes of giving effect to the Scheme.

Clause 5: Scheme Consideration

Clause 5 of the Scheme Document sets out the terms by which Scheme Consideration is provided to Scheme Creditors on the Distribution Date, including the mechanism by which Scheme Creditors may elect to receive CRV Interests (or elect that a Nominated Recipient receives its CRV Interests).

No action is required for Scheme Creditors to be entitled to receive Cash Consideration. Scheme Creditors who wish to elect to receive CRV Interests (or elect that a Nominated Recipient receives its CRV Interests) must complete a CRV Election Letter and provide all required information (including all relevant KYC Documentation), representations and confirmations, at any time after the date of this Explanatory Statement and at the latest by the CRV Election Deadline (however, the CRV Election Deadline may be extended for Scheme Creditors that hold an Undetermined Provable Claim). Please refer to Section IV (*Instruction Packet*) and Part 3 (*Proxy Form*) of Section IV (*Instruction Packet*) for more information in this regard.

Clause 6: Opportunity for Bondholders to make elections

Clause 6 of the Scheme Document sets out how the Bond Trustee has been instructed to solicit elections of Bondholders by which each Bondholder will be given the opportunity, but not the obligation, to elect whether to

receive an immediate cash distribution or to cause the cash distribution they would otherwise be entitled to receive (in each case, net of any amounts provided for in the Extraordinary Resolution and Trust Deed) to be contributed to the CRV in exchange for an interest in the CRV (a “**Bondholder CRV Election**”).

Details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election and receive CRV Interests will be set out in a notice to be published by the Bond Trustee via the Clearing Systems.

Any distribution of cash to Bondholders shall be administered by the Bond Trustee, and shall not be the responsibility of the Company or the Joint Administrators. Any CRV Interests required to be issued to Bondholders in connection with a Bondholder CRV Election shall be issued by the CRV to Bondholders directly, and not by or through the Company or the Joint Administrators.

Clause 7: Adequate Reserves and determination of Claims

Clause 7 of the Scheme Document sets out the process by which the Joint Administrators will set aside from the Cash Consideration, such amounts as they consider necessary in order to adequately reserve for, and if determined and accepted (in whole or in part) distribute a Pro Rata Allocation of Scheme Consideration in respect of, any Undetermined Provable Claims. The timing of the distribution of Scheme Consideration to Scheme Creditors that hold Undetermined Provable Claims that are determined and accepted by the Joint Administrators, and the provision of any Supplemental Information, shall be extended.

Each Scheme Creditor irrevocably and unconditionally releases and waives any entitlement to assert, any and all Unsubmitted Claims. Each Scheme Creditor will not be entitled to receive any Scheme Consideration pursuant to the Scheme in respect of any Unsubmitted Claims and will not be able to recover or receive any payments for such Unsubmitted Claims in the Administration (even if further assets become available for distribution after the Scheme Effective Date). Each Scheme Creditor acknowledges and agrees that it shall have no right to prove for any Unsubmitted Claim after the Bar Date, and such Unsubmitted Claims will be fully and irrevocably extinguished.

Clause 8: Releases, waivers, amendments, undertakings and stay of Proceedings

Clause 8 sets out certain releases and undertakings that Scheme Creditors agree to provide in respect of the Scheme.

Releases

From the Scheme Effective Date, each Scheme Creditor (and, as applicable, its Nominated Recipient) irrevocably and unconditionally, waives, releases and discharges:

- (a) all Claims in respect of the Released Portion of its Admitted Claim;
- (b) all Claims in connection with: (i) the Claims released in (a) above; (ii) the preparation and implementation of the Scheme or Other Scheme Document (or any other document entered into by the Company, the Joint Administrators or any Protected Party in connection with the Scheme or Transaction and referred to in a Scheme Document) and/or the implementation of the Scheme and the Transaction; and (iii) the execution and implementation of the steps contemplated by clause 3 and clause 4 of the Deed of Assignment; and
- (c) all Claims in respect of any act done or omitted to be done in good faith by the Company or any Protected Party other than an Administrative Party under the Scheme (together, the Released Claims).

The Scheme shall not release:

- (a) each Scheme Creditor’s Claim in respect of the Unreleased Portion of its Admitted Claim;
- (b) the Enforcement Related Claims;

- (c) any Excluded Claims;
- (d) any Claim in respect of an Allowed Proceeding;
- (e) any Claim in respect of wilful default, fraud or dishonesty against the Company and those Protected Parties that are not an Administrative Party;
- (f) any Claim arising out of fraud, dishonesty, wilful default, or gross negligence against the Administrative Parties; and
- (g) any Claim in respect of any Adviser of any Scheme Creditor arising under a duty of care which has been specifically and expressly acknowledged in writing by the relevant Adviser.

Pursuant to the terms of the Scheme, Scheme Creditors will receive their Pro Rata Allocation of the Scheme Consideration and will agree to release a corresponding amount of their Admitted Claims.

Each Scheme Creditor will agree to release a percentage of their total Admitted Claim, being the ratio of the total value of the Scheme Consideration (x) against the total value of Admitted Claims as at the later of 5pm on 3 August 2020 or the date on which all Undetermined Provable Claims are finally adjudicated upon (y), expressed as a percentage $(x/y*100)$ (the Released Portion). Save for any Claims in respect of the First Dividend and the Released Portion, each Scheme Creditor will not release its Admitted Claim under the Scheme (the Unreleased Portion).

By way of example, as at 22 June 2020: (a) the Released Portion equates to 1.86% of each Scheme Creditor's Admitted Claim⁹; and (b) the Unreleased Portion equates to 97.37 % of each Scheme Creditor's Admitted Claim.¹⁰

The Pro Rata Allocation of Scheme Consideration received by each Scheme Creditor may be reduced in circumstances where additional Provable Claims are made and admitted by the Administrators after 22 June 2020. This will likely decrease the percentage of the Released Portion and increase the percentage of the Unreleased Portion.

Undertakings

Each Scheme Creditor ratifies and confirms everything which the Company, the Joint Administrators and the Administrative Parties, do pursuant to the authority conferred by clause 4 of the Scheme Document, undertakes to the Company and the Protected Parties to treat all Released Claims as having been satisfied, discharged and released fully and absolutely, and undertakes to the Company and the Protected Parties that it will not commence any Proceeding against the Protected Parties in connection with any Released Claims other than as permitted under the terms of the Scheme.

Stay of Proceedings

With effect on and from the Scheme Lodgment Date, subject to certain exceptions, a Scheme Creditor may not commence or continue or support any person commencing or continuing or instruct any person to commence any Proceedings against the Company or any Protected Party concerning any Released Claim.

Clause 9: Termination of the Scheme

Subject to certain surviving provisions (including Clause 9), the Scheme shall terminate and shall be construed as if it had never become effective if the Scheme Effective Date has not occurred by the Long Stop Date.

⁹ £7,805,747 (Scheme Consideration) / £419,627,522 (total value of Admitted Claims as at 22 June 2020) *100 = 1.86%

¹⁰ (£419,627,522 (total value of Admitted Claims at 22 June 2020) - £7,805,747 (Scheme Consideration) - £3,231,131 (First Dividend)) / 419,627,522 (total value of Admitted Claims at 22 June 2020) * 100 = 97.37%

Clause 10: Joint Administrators' powers and remuneration

In implementing the Scheme on behalf of the Company, the Joint Administrators shall have all of the powers granted to them under the Insolvency Act, the Insolvency Rules and the Scheme.

Each Scheme Creditor: (i) authorises the Joint Administrators to carry out all acts and exercise all discretions, authorities, powers and duties conferred upon the Company by this Scheme in order to facilitate its implementation; and (ii) ratifies any act whatsoever that the Company or the Joint Administrators may do in their name or on their behalf by exercising its or their powers pursuant to the Scheme.

The Joint Administrators have agreed to carry out their roles and functions and exercise their powers as provided for in this Scheme as agents for and on behalf of the Company and neither they, their firm, partners, employees, agents, advisers or representatives shall incur any personal liability whatsoever in respect of any of the obligations undertaken by the Company; or in respect of any failure on the part of the Company to observe, perform or comply with any such obligations; or under or in relation to any associated arrangements or negotiations; or under any document or assurance made pursuant to this Scheme.

The Joint Administrators shall be entitled to claim their remuneration as an Administration Expense in relation to actions taken by them in respect of this Scheme.

Clause 11: Miscellaneous provisions applicable to the Scheme

Clause 11 of the Scheme Document contains a number of general provisions as summarised below.

Third party rights

Save as provided for in the Scheme Document, no third party is conferred any rights under the Scheme Document.

Fractional allocations

Fractions of CRV Interests will not be allotted or issued to Scheme Creditors or their Nominated Recipients, and will be rounded up to the nearest nominal value of a CRV Interest.

Payment of cash

Any cash payable by the Company pursuant to the Scheme shall be paid in GBP.

Provision of information by or to Scheme Creditors

A CRV Election Letter submitted by or on behalf of any Scheme Creditor (or Nominated Recipient, as applicable) must be submitted to the Company and the CRV Trustee in accordance with the instructions set out in the CRV Election Letter and the Scheme Document. If either the Company or the CRV Trustee refuses to accept a CRV Election Letter, it must promptly prepare and send to the party submitting the CRV Election Letter a written statement of its reasons for doing so. The Company, the Joint Administrators, the Information Agent and the CRV Trustee may disclose the CRV Election Letter and its contents to such persons and their Advisers as are necessary to facilitate the consummation of the Transaction.

Information and documents regarding the Scheme, including the Explanatory Statement and documents required for the purpose of voting on the Scheme, will be made available on the Administration Website and the Scheme Website and on request during normal working hours from the Information Agent.

Modification

The Company may, at the Scheme Sanction Hearing, consent on behalf of the Scheme Creditors to any modification of the Scheme Document and the Other Scheme Documents on terms or conditions that the High Court may think fit to approve or impose. However, if such modifications could reasonably be expected to have a material adverse effect on the interests of a Scheme Creditor (whether directly or indirectly), the Company will not be entitled to provide such consent without the prior written consent of that Scheme Creditor.

Governing law and jurisdiction

The Scheme is governed by the laws of England and Wales and the High Court has exclusive jurisdiction to hear, determine and settle any dispute which may arise out of the Explanatory Statement or the Scheme. Clause 11 of the Scheme Document does not, however, affect the validity of any other provisions regarding governing law and jurisdiction as between the Company and any of the Scheme Creditors.

Other provisions

Clause 11 of the Scheme Document also contains provisions regarding the giving of notice and the performance of obligations on dates other than a Business Day.

Part 4: Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme

- 1.1 In order for the Scheme to become effective, it must be: (a) approved by a majority in number (above 50 per cent) and at least 75 per cent in value of the Scheme Creditors present and voting (either in person or by proxy) at the Scheme Meeting; and (b) sanctioned by the High Court at the Scheme Sanction Hearing. In particular, such Scheme Creditor shall be entitled to receive or direct the application of its Pro Rata Allocation of Scheme Consideration in accordance with the terms of this Scheme, subject to the following adjustments in timing:

3. ACTIONS REQUIRED TO BE TAKEN BY CREDITORS BEFORE THE SCHEME MEETING

Undetermined Provable Claims

- 3.1 Scheme Creditors that have not yet filed a proof of debt in respect of their Provable Claim must do so by the Record Date in order to be able to vote in respect of it at the Scheme Meeting.
- 3.2 The Joint Administrators have provided blank proof of debt forms to persons who they believe are Scheme Creditors, where they are in possession of that person's contact details. A blank form of proof of debt is at Part 1 Section B (*Proof Of Debt Form*) of Section IV (*Instruction Packet*), or can otherwise be obtained from the Administration Website or on request from the Information Agent by email to: lm@glas.agency. All proof of debt forms must be returned to the Joint Administrators using the contact information provided in that form.
- 3.3 If Scheme Creditors submit a proof of debt in respect of a Provable Claim by the Record Date, such Provable Claim will constitute an Undetermined Provable Claim for voting purposes and will be ascribed a Voting Value determined by the Joint Administrators by reference to the principal amount of such claim. If a Scheme Creditor submits a proof of debt after the Record Date, they will not be entitled to vote at the Scheme Meeting but will be entitled to participate in the Scheme Consideration provided such proof is submitted by the Bar Date (and finally accepted (in whole or in part) as an Admitted Claim by the Joint Administrators). As mentioned at paragraph 2.10 above, each Scheme Creditor acknowledges and agrees that it shall have no right to prove for any Unsubmitted Claim after the Bar Date, and such Unsubmitted Claims will be fully and irrevocably extinguished.

Scheme Creditors who wish to receive Cash Consideration

- 3.4 No action is required from a Scheme Creditor with an Admitted Claim to be entitled to receive its Cash Consideration on the Distribution Date. Any cash to be distributed to Scheme Creditors in accordance with the terms of the Scheme shall be made by the Company using the payment details for each Scheme Creditor that have been communicated to the Joint Administrators. **If a Scheme Creditor's bank details have changed from the details last communicated to the Joint Administrators, updated details must be provided to the Joint Administrators as soon as possible, and at the latest by the Bar Date. Failure to do so may result in a delay to cash payments being made, or payments being made to the incorrect bank account.**

Registration to attend the Scheme Meeting

- 3.5 As mentioned at paragraph 12.2 of Part 1 (*Letter from the Joint Administrators*) of Section I (*Explanatory Statement*) above, the Scheme Meeting will be held by video and telephone conference. Scheme Creditors who wish to receive dial-in details to attend and vote at the Scheme Meeting must register ("**Registration**") by providing the following information (the "**Registration Information**") to the Information Agent by the Registration Deadline, either via a link on the Scheme Website entitled "register here" or by email to lm@glas.agency:
 - (a) for Scheme Creditors that are natural persons, (i) their name and address provided in their proof of debt, (ii) a telephone number, and (iii) an email address; and
 - (b) for Scheme Creditors that are a company or corporation: (i) their name and address as stated in the proof of debt; and (ii) the phone number and email address of the person authorised to do all things necessary to enable the Scheme Creditor to vote ("**Authorised Person**").

- 3.6 If the Information Agent is satisfied with a Scheme Creditor's Registration Information, it will email the Scheme Creditor video and phone dial-in details for the Scheme Meeting. If the Information Agent is not so satisfied, it will inform the Scheme Creditor of its decision using the email address provided by the Scheme Creditor and will explain what Registration Information must be provided in order to complete Registration. **If a Scheme Creditor does not provide the Registration Information, they will not be able to access the Portal or be provided with video and phone dial-in details in order to attend and vote at the Scheme Meeting.**

Submitting information in the Instruction Packet

- 3.7 Once Scheme Creditors have completed Registration, they will also be provided with secure log-in details to access the Portal. Scheme Creditors are encouraged to use the Portal to:
- (a) upload certified copies of its (or its Authorised Person's) passport or national identity card and, if the Scheme Creditor is a company or corporation, an appropriately certified copy of the resolution of directors or the governing body of the Scheme Creditor evidencing that the Authorised Person has been granted the power and authority by the Scheme Creditor to do all things necessary to enable the Scheme Creditor to vote on the Scheme (see Part 1 (*Scheme Creditor Information*) of Section IV (*Instruction Packet*));
 - (b) complete a Proxy Form and supporting information (described at paragraphs 3.21 to 3.23 of this Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) below);
 - (c) complete a CRV Election Letter and make a CRV Election (described at paragraphs 3.10 to 3.15 of this Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) below);
 - (d) complete a Nominated Recipient Form (described at paragraphs 3.16 to 3.18 of this Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) below);
 - (e) vote prior to the Scheme (described at paragraphs 3.19 to 3.20 of this Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) below);
 - (f) provide the confirmations and undertakings at Annex A of this Explanatory Statement; and
 - (g) upload the KYC Documentation required in order to make a CRV Election and, if applicable, appoint a Nominated Recipient (described at paragraphs 3.10 to 3.18 of this Part 4 (*Actions to be taken by Scheme Creditors and Conditions to Implementation of the Scheme*) below).

- 3.8 Scheme Creditors will be able to access the Portal at any time using their secure log-in details. The Joint Administrators, the Information Agent and CRV Trustee will also have access to the Portal to facilitate the Scheme and the Transaction as necessary.

- 3.9 A Scheme Creditor may also provide the information requested in the Instruction Packet by emailing it to the Information Agent at lm@glas.agency by the relevant deadline, provided it has completed Registration. Any information submitted by email must be submitted from the email address provided during Registration. Information submitted from a different email address will not be accepted by the Information Agent.

Making a CRV Election

- 3.10 Subject to paragraph 2.12 above, any Scheme Creditor who wishes to make a CRV Election must ensure that a CRV Election Letter is validly completed and received by the Information Agent as soon as possible and, in any event, prior to 5.00 p.m. (London time) on 3 August 2020. CRV Election Letters should be submitted in electronic form via the Portal or by sending a pdf copy of the completed form to the Information Agent at the following email address: lm@glas.agency from the email address provided during Registration.

- 3.11 Subject to paragraph 2.12 above, a Scheme creditor who wishes to make a CRV Election must ensure that it submits its KYC Documentation to the Information Agent and CRV Trustee on or prior to the CRV Election Deadline.
- 3.12 If the Information Agent, Company or CRV Trustee refuses to accept a CRV Election Letter, the Information Agent, the Company or CRV Trustee shall promptly prepare a written statement of its reasons for doing so and the Information Agent will send that statement by electronic mail to the party that provided such CRV Election Letter.
- 3.13 To the extent that a CRV Election Letter contains inadequate information to enable the CRV Trustee to distribute CRV Interests to the relevant Scheme Creditor (or its Nominated Recipient), the Information Agent, the Company or the CRV Trustee, may (but shall not be obliged to) inform that Scheme Creditor and accept supplemental or corrected information (“**Supplemental Information**”) such that the CRV Trustee is able to distribute CRV Interests to that Scheme Creditor in line with its CRV Election Letter. Such Supplemental Information must be received by the Information Agent and the CRV Trustee by the Bar Date.
- 3.14 If the Supplemental Information is not received by the Information Agent and the CRV Trustee by the Bar Date, no CRV Interests in respect of the relevant Scheme Creditor’s Scheme Consideration will be issued, and the relevant Scheme Creditor will be deemed to have not made a CRV Election and will instead receive its Cash Consideration on the Distribution Date.
- 3.15 As mentioned above at paragraph 2.12 above, the deadline for the submission of a Scheme Creditors’ CRV Election Letter (and supporting documents) in respect of an Undetermined Provable Claim which is admitted by the Joint Administrator, and the submission of any Supplemental Information, may be extended.

Nominated Recipient with respect to CRV interests

- 3.16 In the event that a Scheme Creditor wishes to procure that its Nominated Recipient receives all of its CRV Interests, it must, by the CRV Election Deadline, submit a completed Nominated Recipient Form with its CRV Election letter and: (i) confirm that the Nominated Recipient is an Eligible Person; (ii) confirm that the Nominated Recipient is nominated in the Scheme Creditor's validly completed CRV Election Letter as a Nominated Recipient; (iii) submit the KYC Documentation relating to the Nominated Recipient to the Information Agent and CRV Trustee on or prior to the CRV Election Deadline; and ensure that the Nominated Recipient takes certain steps to receive the CRV Interests.
- 3.17 For the avoidance of doubt, no CRV Interests will be issued or transferred to a person who is a Disqualified Person or located in a jurisdiction where such distributions would, or may, in the reasonable opinion of the CRV Trustee / Company, be prohibited by law.
- 3.18 Consent may be withheld on a transfer of any CRV Interests, whether voluntary or involuntary, if the CRV Trustees have reason to believe that such transfer may cause the CRV to be treated as a “publicly traded partnership” taxable as a corporation for U.S. federal income tax purposes under Section 7704 of the Code.

Voting prior to the Scheme Meeting

- 3.19 Scheme Creditors will be able to vote on the Scheme in advance of the Scheme Meeting using the Portal or by submitting a pdf copy of a completed Voting Form (set out at Part 2 (*Voting Form*) of Section IV (*Instruction Packet*) to the Information Agent at the following email address: lm@glas.agency. Voting forms submitted by email should be sent from the email address provided at the time of Registration. The deadline for voting using the Portal or by email is 12.00 p.m. (London time) on 19 July 2020.
- 3.20 If a Scheme Creditor votes via the Portal or by email before the Scheme Meeting, they are entitled to change their vote at any time prior to the Scheme Meeting. Such Scheme Creditors will be permitted to attend the Scheme Meeting and vote during the Scheme Meeting. Where this is the case, only the vote cast at the Scheme Meeting will be considered by the Chairman.

Appointing a proxy to vote at the Scheme Meeting

- 3.21 Scheme Creditors wishing to appoint the Chairman or a nominee to act as their proxy at the Scheme Meeting must ensure that a Proxy Form is validly completed and received by the Information Agent as soon as possible and, in any event, prior to 5.00 p.m. (London time) on 15 July 2020. Proxy Forms may be completed online via the Portal or by sending a pdf copy of the completed form to the Information Agent at the following email address: lm@glas.agency from the email address provided during Registration. The Proxy Form must be accompanied by a certified copy of the proxy's passport or national identity card.
- 3.22 Proxy Forms not received by the Voting Instruction Deadline may not be handed to the Chairman at the Scheme Meeting.

Bondholders are not Scheme Creditors and not permitted to vote at the Scheme Meeting

- 3.23 In accordance with the Extraordinary Resolution and MoU Committee Letter, the Bond Trustee has been instructed to vote the Admitted Claim it holds in favour of the Scheme. Accordingly, Bondholders are not Scheme Creditors and may not vote at the Scheme Meeting. Details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election and receive CRV Interests will be set out in a notice to be published by the Bond Trustee via the Clearing Systems. The Bond Trustee may instruct Wilmington Trust SP Services (London) Limited as tabulation agent to carry out certain administrative aspects of the Bondholder CRV Election process.
- 3.24 Any cash to be distributed to Bondholders shall be paid by the Bond Trustee via the Clearing Systems and shall be net of any amounts provided for in the Trust Deed and the Extraordinary Resolution. If a Bondholder makes a Bondholder CRV Election, subject to completion of all required KYC, anti-money laundering and similar requirements reasonably required by the CRV Trustee, that Bondholder shall be entitled to have its name (or the name of its nominee) entered on the CRV's beneficiary register by the CRV Trustee on or around the date of the Distribution Date and shall thereafter be entitled to share in the property of the CRV and in any proceeds and/or recoveries accrued by litigating the Enforcement Related Claims.
- 3.25 A Bondholder wishing to make a Bondholder CRV Election may be required to, among other things, represent and warrant in writing that it (or its nominee) is either (i) with respect to U.S. Bondholder, a "qualified institutional buyer" as defined in Rule 144A under the US Securities Act; (ii) an "accredited investor" as defined in Rule 501(a) of Regulation D under the US Securities Act; or (iii) outside the United States, (A) a non-U.S. person receiving the CRV Interests outside of the United States in an "offshore transaction" in reliance on Regulation S of the US Securities Act, and (B) in the European Economic Area, a Bondholder who is not a retail investor (a "retail investor" is defined as a person who is one (or more) of: (x) a retail client as defined in point (11) of MiFID II; (y) a customer within the meaning of the Insurance Distribution Directive, where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (z) not a qualified investor as defined in the Prospectus Regulation).

4. SCHEME MEETING

Attending the Scheme Meeting

- 4.1 The Scheme Meeting is scheduled to take place at 10:00 a.m. (London time) on 20 July 2020.  - (c) Authorised Representatives will be asked one or more security questions based on the passport or national identity card provided to the Information Agent following Registration. Before the Scheme Meeting, and as a condition of being permitted to enter the Scheme Meeting, Authorised Representatives will also be required to provide an appropriately certified copy of the resolution of directors or the governing body of the Scheme Creditor evidencing that the Authorised Person has been granted the power and authority by the Scheme Creditor to do all things necessary to enable the Scheme Creditor to vote; and
 - (d) proxies (other than the Chairman) attending via phone or video on behalf of Scheme Creditors will be asked to confirm their name and passport or national identity card number provided on the Proxy Form. Proxies attending via phone must dial-in using the phone number provided in the Proxy Form.
- 4.4 Mr. Ian Wormleighton or Mr. Nicholas Edwards will act as Chairman of the Scheme Meeting, or, if for any reason they are unable so to act, Ms. Osborne, a partner of Akin Gump LLP, will be the Chairman. The Chairman shall retain responsibility and sole discretion to: (i) supervise check-in and admit Scheme Creditors into the Scheme Meeting; (ii) determine the entitlement to vote and the Voting Value of any Scheme Creditor at the Scheme Meeting; (iii) adjourn the Scheme Meeting for such period as appropriate provided that, if adjourned, the Scheme Meeting recommences as soon as reasonably practicable thereafter; (iv) oversee voting; (v) accept incomplete or late Proxy Forms; (vi) in the event of a vote being cast by more than one Scheme Creditor in respect of the same debt, count only the votes of the person with the ultimate economic interest in that debt; and (vii) be at liberty to rely on the electronic confirmations (in respect of electronic Proxy Forms submitted via the Portal) as a warranty that the Authorised Person (or person submitting such confirmation) has been duly authorised by the relevant Scheme Creditor.
- Voting Values for the purposes of the Scheme Meeting*
- 4.5 Scheme Creditors holding an Admitted Claim or Undetermined Provable Claim at the Record Date are entitled to attend and vote at the Scheme Meeting, pursuant to their allocated Voting Value.
- 4.6 The claims of a Scheme Creditor for voting purposes shall be calculated as at the Initial Determination Date, being 5:00 p.m. (London time) on 19 July 2020.
- 4.7 Voting Values will be calculated by the Joint Administrators: (i) in respect of Admitted Claims, in accordance with the proof of debt received and accepted by the Joint Administrators; and (ii) in respect of Undetermined Provable Claims, in accordance with the Voting Value determined by the Joint Administrators and communicated by the Joint Administrators or the Information Agent to the relevant Scheme Creditor by the Initial Determination Date if the proof of debt relating to the Undetermined Provable Claim is received by the Record Date.
- 4.8 The Chairman shall retain sole discretion to determine the Voting Value of any Scheme Creditor at the Scheme Meeting.
- 4.9 Voting Values have been calculated by the Company solely for the purpose of calculating the value of votes cast at the Scheme Meeting, in order to determine whether the Scheme has been approved by the requisite majority of Scheme Creditors, and will not be determinative or indicative of the Joint Administrators' views as to the validity or value of an Undetermined Provable Claim, nor what entitlements to Scheme Consideration will derive from/attach to such Provable Claim.

- 4.10 For the purposes of ascertaining whether a majority in number of Scheme Creditors have voted in favour of the Scheme, each Scheme Creditor will have one vote relevant to their Claim(s).
- 4.11 In the event of a vote being cast by more than one Scheme Creditor in respect of the same debt, the Chairman shall be authorised to count only the votes of the person with the ultimate economic interest in that debt.

Terms used but not defined herein have the meaning ascribed to them in the document being summarised.

- 3.8 Where there is a vacancy in the position of CRV Administrator, the Trustee, with the approval of the Board, may appoint a replacement person to fill this position, on such terms as the Board approve, and in accordance with the terms of the CRV Trust Deed.

 - (b) second, if any Costs Proceeds remain, to pay each Ordinary Interest Holder an amount equal to its Percentage Share of the remaining Costs Proceeds.

Such Trustee, its officers, directors and employees will be released from and indemnified against all claims, demands, actions, proceedings and accounts of any kind, on the part of any person interested under the Trust for or in respect of the Trust Fund, aside from the exceptions provided for in the CRV Trust Deed.

Trustees’ indemnity (Clause 16)

- 3.27 There are also indemnity provisions for the protection of each Trustee or other Indemnified Party contained in the CRV Trust Deed. Such persons are to be indemnified for any loss to the Trust Fund arising from the failure, depreciation, or loss of any investments, made in good faith, or by reason of any mistake, or omission made in good faith, or of any other matter or thing, but will not be indemnified for fraud, gross negligence, or wilful deceit.

Amendment (Clause 21)

- 3.28 Clause 21 of the CRV Trust Deed allows for the Trustees to amend the CRV Trust Deed, subject to the prior written approval of the Board.

4. **DEED OF RELEASE**

4.1 The Deed of Release will be entered into by the Company for itself, and on behalf of the Scheme Creditors, and by the Joint Administrators in their personal capacity.

Released Claims

4.2 With effect on and from the Scheme Effective Date, and subject to paragraph 4.3 below, each Scheme Creditor (and, as applicable, its Nominated Recipient) irrevocably and unconditionally, waives, releases and discharges:

- (a) all Claims in respect of the Released Portion of its Admitted Claim;
- (b) all Claims against the Company and the Protected Parties in connection with: (i) the Claims released in (a); (ii) the preparation, negotiation, sanction or implementation of the Scheme or Other Scheme Document (or any other document entered into by the Company, the Joint Administrators or any Protected Party in connection with the Scheme or Transaction and referred to in an Other Scheme Document) and/or the implementation of the Scheme and the Transaction; and (ii) the execution and implementation of the steps contemplated by clause 3 and clause 4 of the Deed of Assignment; and
- (c) all Claims in respect of any act done or omitted to be done in good faith by the Company or any Protected Party (other than an Administrative Party), in pursuance of its functions or duties under the Scheme, or the good faith exercise or non-exercise by the Company or any Protected Party (other than an Administrative Party) of any power or discretion conferred upon them under the Scheme (together, the Released Claims).

Covenant not to sue

- 4.5 Each Scheme Creditor undertakes for itself (and its Nominated Recipient, if applicable) to the Company, the Joint Administrators and the Protected Parties that, subject to paragraph 4.3 above, it will not make any further Claim, and/or commence, continue, aid, or instruct any person to commence, any civil, criminal or regulatory action or Proceedings concerning any Released Claim. Any recoveries made by a Scheme Creditor in breach of this undertaking will be held on trust for the benefit of the Company and/or the relevant Protected Parties.

Independent appraisal

- 4.6 Each Scheme Creditor (on its own behalf and on behalf of its Nominated Recipient, if applicable) confirms that it has made an independent appraisal (and has consulted with its professional advisers to the extent necessary) of the risks arising in respect of the Scheme and/or the Transaction.

- 4.9 The Deed of Release is governed by English law and the High Court has exclusive jurisdiction to settle disputes arising out of it.

Part 6: Taxation

Scheme Creditors considering the Transaction should consult their own tax advisers in relation to the tax consequences for them of the Transaction under the laws of the United Kingdom, the United States and the laws of any other relevant jurisdiction. No representations are made regarding the tax consequences of the Transaction for any particular Scheme Creditor.

UNITED KINGDOM TAXATION

The following is a general description of certain UK withholding tax and stamp tax considerations relating to the payment of Cash Consideration, the transfer of the Enforcement Related Claims, and the issue of CRV Interests and is based on current UK tax law and HM Revenue & Customs published practice, both of which may be subject to change, possibly with retrospective effect. It is for general information only and does not constitute legal or tax advice and does not purport to be a complete analysis of all UK tax considerations relating to the Scheme or the CRV Interests.

If you are in any doubt as to your tax position, you should consult an appropriate professional adviser.

Withholding or deduction of tax on payments of Cash Consideration

On the basis that payments of Cash Consideration will represent unpaid principal of any Admitted Claim, the Cash Consideration is expected to be paid free of withholding or deduction for or on account of tax.

UK stamp duty and Stamp Duty Reserve Tax ("SDRT")

There will be no charge to UK stamp duty or SDRT in respect of the transfer of the Enforcement Related Claims by the Company to the CRV.

There will be no UK stamp duty or SDRT payable on the issue of CRV Interests to Scheme Creditors.

UNITED STATES TAXATION

The following discussion summarizes certain U.S. federal income tax consequences of the implementation of the Scheme to the U.S. Holder (as defined below) and certain U.S. Holders (as defined below) of Provable Claims. Except as provided below, this summary does not address the U.S. federal income tax consequences to holders of Provable Claims not entitled to vote to accept or reject the Scheme. This summary is based on the U.S. Internal Revenue Code of 1986, as amended (the “Code”), the U.S. Treasury Regulations promulgated thereunder (the “Treasury Regulations”), judicial decisions, and published administrative rules, rulings, and pronouncements of the U.S. Internal Revenue Service (the “IRS”) all as in effect on the date hereof. Changes in such rules or new interpretations thereof may have retroactive effect and could significantly affect the U.S. federal income tax consequences described below.

The U.S. federal income tax consequences of the Scheme are complex and are subject to significant uncertainties. The Company has not requested and will not request a ruling from the IRS or an opinion of counsel with respect to any of the tax aspects of the Scheme. Thus, no assurance can be given that the IRS would not assert, or that a court would not sustain, a different position than any position discussed herein.

This discussion addresses only those U.S. Holders that hold Provable Claims as capital assets within the meaning of Section 1221 of the Code. In addition, this summary does not address non U.S., state, local, estate, or gift tax consequences of the Scheme, nor does it purport to address the U.S. federal income tax consequences of the Scheme to special classes of taxpayers (such as persons who are related to the Company within the meaning of the Code, persons that are not U.S. Holders, broker dealers, banks, mutual funds, insurance companies, financial institutions, small business investment companies, regulated investment companies, real estate investment trusts, retirement plans, individual retirement and other tax-deferred accounts, persons whose functional currency is not the U.S. dollar, persons subject to the alternative minimum tax or the “Medicare” tax on unearned income, tax exempt organizations, investors in pass through entities, subchapter S corporations, persons who hold Provable

Claims, or who will hold equity interests in the Company, as part of a straddle, hedge, constructive sale, conversion transaction, or other integrated investment, persons using a mark to market method of accounting, and U.S. Holders of Provable Claims who are themselves in bankruptcy). For purposes of this discussion, (A) the term “U.S. Holder” means a Scheme Creditor of a Provable Claim that is for U.S. federal income tax purposes (i) an individual citizen or resident of the United States, (ii) a corporation, or entity treated as a corporation, organized in or under the laws of the United States or any state thereof or the District of Columbia, (iii) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) such trust has made a valid election to be treated as a U.S. person for U.S. federal income tax purposes or (iv) an estate, the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source.

If a partnership (or other entity treated as a partnership or other pass-through entity for U.S. federal income tax purposes) is a Scheme Creditor of a Provable Claim, the tax treatment of a partner (or other beneficial owner) generally will depend upon the status of the partner (or other beneficial owner) and the activities of the entity. Partners (or other beneficial owners) of partnerships (or other pass-through entities) that are Scheme Creditors should consult their respective tax advisors regarding the U.S. federal income tax consequences of the Scheme.

This summary is not intended to constitute a complete analysis of all tax considerations relevant to a particular U.S. Holder of a Provable Claim. Each U.S. Holder of a Provable Claim should seek advice from its own independent tax advisors concerning the U.S. federal, state, local, foreign income, and other tax consequences of the Scheme to it in light of its particular circumstances.

ACCORDINGLY, THE FOLLOWING SUMMARY OF CERTAIN U.S. FEDERAL INCOME TAX CONSEQUENCES IS FOR INFORMATIONAL PURPOSES ONLY AND IS NOT A SUBSTITUTE FOR CAREFUL TAX PLANNING AND ADVICE BASED UPON THE PARTICULAR CIRCUMSTANCES PERTAINING TO A HOLDER OF AN ALLOWED CLAIM OR ALLOWED INTEREST. ALL CREDITORS ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE U.S. FEDERAL, STATE, LOCAL, AND NON-UNITED STATES TAX CONSEQUENCES OF THE SCHEME.

Certain U.S. Federal Income Tax Treatment of the Transaction for Scheme Creditors

Treatment of the CRV

The discussion below assumes that the CRV will not have any income that is effectively connected with a trade or business in the United States or that is United States source income (as such terms are contemplated by the Code and Treasury Regulations.)

Pursuant to the Scheme, in exchange for full and final satisfaction, settlement, release, and discharge of the Provable Claims, the Scheme Creditors shall receive their pro rata share of the Cash Consideration unless such Scheme Creditor has made a CRV Election (to receive the CRV Interests instead of the Cash Consideration).

It is unclear whether the provisions of the CRV Trust Deed as currently drafted and the potential plan to raise additional funds to pursue the litigation of the Enforcement Related Claims would satisfy the guidelines for classification as a liquidating trust for U.S. federal income tax purposes. Accordingly, the CRV Trust Deed provides that the CRV, the CRV Trustee, or other authorized person will file an election to treat the CRV as a partnership for U.S. federal income tax purposes and it will file any returns or other filings that its status as a non-U.S. partnership may require. For U.S. federal income tax purposes, the Company believes that, although not free from doubt, the transfer of assets (i.e., the transfer of the Enforcement Related Claims) to the CRV will be deemed to occur as (a) a first-step transfer of the Enforcement Related Claims to the Scheme Creditors who elected to receive CRV Interests and (b) a second-step transfer by such Scheme Creditors to the CRV of such portion of the Enforcement Related Claims in exchange for the CRV Interests.

No request for a ruling from the IRS will be sought on the classification of the CRV. Accordingly, there can be no assurance that the IRS would not take a contrary position to the classification of the CRV. If the IRS were to challenge successfully the classification of the CRV as a partnership, the federal income tax consequences to the CRV and the U.S. Holders could vary from those discussed in the Scheme.

Certain U.S. Federal Income Tax Consequences to U.S. Holders of Provable Claims

Pursuant to the Scheme, in exchange for full and final satisfaction, settlement, release, and discharge of the Provable Claims, the Scheme Creditors shall receive their pro rata share of the Cash Consideration, unless they make a CRV Election to receive CRV Interests.

As discussed above, the CRV will be classified as a partnership for U.S. federal income tax purposes upon filing its election with the IRS. The Company believes that, although not free from doubt, each Scheme Creditor that made the CRV Election should accordingly be treated as having (a) received its pro rata share of the Enforcement Related Claims from the Company and (b) contributed such assets to the CRV in exchange for the CRV Interests.

A U.S. Holder's receipt of Cash or, if such U.S. Holder made a CRV Election, CRV Interests, should be treated as a taxable exchange under section 1001 of the Code. Other than with respect to any amounts received that are attributable to accrued but untaxed interest (or original issue discount), each U.S. Holder of such Provable Claim should recognize gain or loss equal to the difference between: (i) (A) the amount of any Cash received, with respect to U.S. Holders who elect to receive Cash or (B) in the case of U.S. Holders who make the CRV Election, the fair market value of the assets of the CRV (which includes the Enforcement Related Claims) deemed received; and (ii) such U.S. Holder's adjusted basis, if any, in such Provable Claim.

U.S. Holders of Provable Claims who made a CRV Election to receive CRV Interests should obtain a tax basis in its CRV Interests equal to the fair market value of such CRV Interest at the Scheme Effective Date. The holding period for the beneficial interest in these assets should begin on the day following the Scheme Effective Date.

The U.S. federal income tax obligations of U.S. Holders with respect to their CRV Interests are not dependent on the CRV distributing any cash or other proceeds. U.S. Holders of CRV Interests will be required to report on their U.S. federal income tax returns their allocated share of the CRV's items of income, gain, loss, deduction, and credit in the year recognized by the CRV. This requirement may result in such Holders being subject to tax on their allocable share of the CRV's taxable income prior to receiving any cash distributions from the CRV. Tax on income and gain may, in some instances, be offset foreign tax credits associated with income or gain of the CRV.

A U.S. Holder who receives a CRV Interest as part of the Scheme that is valued at more than \$100,000 may be required to file IRS form 8865 with respect to his acquisition of such interest in the CRV.

HOLDERS OF PROVABLE CLAIMS ARE URGED TO CONSULT THEIR TAX ADVISORS CONCERNING THE RECOGNITION OF GAIN OR LOSS, FOR FEDERAL INCOME TAX PURPOSES, ON THE SATISFACTION OF THEIR PROVABLE CLAIMS AND, IF APPLICABLE THEIR ACQUISITION AND OWNERSHIP OF CRV INTERESTS.

Accrued Interest

To the extent that any amount received by a U.S. Holder of a Provable Claim is attributable to accrued but unpaid interest that accrued during its holding period, such amount should be taxable to the U.S. Holder as interest income (to the extent not already taken into income by the U.S. Holder). Conversely, a U.S. Holder of a Provable Claim may be able to recognize a deductible loss (or, possibly, a write off against a reserve for worthless debts) to the extent that any accrued interest on the Provable Claim was previously included in the U.S. Holder's gross income but was not paid in full by the Company. Such loss may be ordinary, but the tax law is unclear on this point.

The extent to which the consideration received by the U.S. Holder of a Provable Claim will be attributable to accrued interest is unclear. Notwithstanding anything to the contrary herein, it is intended that the deemed exchange of Provable Claims for CRV Interests shall be treated as satisfaction of the principal amount of such Provable Claims (as determined for U.S. federal income tax purposes) and only then, to the extent the consideration exceeds the principal amount of the Provable Claims, to any portion of such Provable Claims that are attributable to accrued but unpaid interest. Nevertheless, the Treasury Regulations generally treat a payment under a debt instrument first as a payment of accrued and untaxed interest and then as a payment of principal. The applicability of these Treasury Regulations to a partial recovery in a situation such as the Scheme where there is no possibility of any significant recovery of principal, is unclear. A U.S. Holder of a Provable Claim with accrued

and unpaid interest is urged to consult its own tax advisor as to the allocation of any recovery between principal and interest.

Market Discount

Under the “market discount” provisions of sections 1276 through 1278 of the Code, some or all of the gain realized by a U.S. Holder of a Provable Claim on the Scheme Effective Date may be treated as ordinary income (instead of capital gain), to the extent of the amount of “accrued market discount” on the Provable Claim. In general, a debt instrument is considered to have been acquired with “market discount” if its holder’s adjusted tax basis in the debt instrument is less than (i) the sum of all remaining payments to be made on the debt instrument, excluding “qualified stated interest” or (ii) in the case of a debt instrument issued with original issue discount, its adjusted issue price, by at least a de minimis amount (equal to 0.25 percent of the sum of all remaining payments to be made on the Provable Claim, excluding qualified stated interest, multiplied by the number of remaining whole years to maturity).

Any gain recognized by a U.S. Holder on the taxable disposition of a Provable Claim that had been acquired with market discount should be treated as ordinary income to the extent of the market discount that accrued thereon while such Provable Claim was considered to be held by the U.S. Holder (unless the U.S. Holder elected to include market discount in income as it accrued).

Under the Foreign Account Tax Compliance Act (“**FATCA**”), foreign financial institutions and certain other foreign entities must report certain information with respect to their U.S. account holders and investors or be subject to withholding on the receipt of “withholdable payments.” For this purpose, “withholdable payments” are generally U.S.-source payments of fixed or determinable, annual or periodical income. Additionally, although FATCA withholding may also apply to gross proceeds of a disposition of property of a type that can produce U.S.-source interest or dividends, recently proposed U.S. Treasury Regulations suspend withholding on such gross proceeds payments indefinitely. FATCA withholding will apply even if the applicable payment would not otherwise be subject to U.S. federal non-resident withholding tax.

U.S. HOLDERS AND NON-U.S. HOLDERS SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE POSSIBLE IMPACT OF THE FATCA RULES ON SUCH HOLDERS’ EXCHANGE OF ANY OF THEIR CLAIMS PURSUANT TO THE PLAN.

The foregoing summary has been provided for informational purposes only. All U.S. Holders of Provable Claims receiving a distribution under the Scheme are urged to consult their tax advisors concerning the U.S. federal, state, local, and foreign tax consequences applicable under the Scheme.

Part 7: Risk Factors

All statements in this document are to be read subject to, and are qualified in their entirety by, the matters referred to in this section.

The Scheme, and in particular, an investment in the CRV Interests, involves risks. In addition to the other information contained in this Explanatory Statement, Scheme Creditors should carefully consider the following discussion of risk factors and other information pertaining to the Scheme, the Enforcement Related Claims, the CRV and the CRV Interests in this Explanatory Statement. The risks and uncertainties described below are not the only ones facing the CRV or the Enforcement Related Claims. In certain circumstances, Scheme Creditors could lose all or part of their investment in the CRV. Additional risks and uncertainties of which the Joint Administrators are not aware or that the Joint Administrators currently believe are immaterial may also adversely affect any potential recoveries resulting from holding the CRV Interests.

This Explanatory Statement also contains forward looking statements that involve risk and uncertainties. Actual results may differ materially from those anticipated in these forward looking statements as a result of various factors, including the risks described below and elsewhere in the Explanatory Statement. Please see "Forward Looking Statements" on page ix of this Explanatory Statement.

If a Scheme Creditor is in any doubt about the action it should take, such Scheme Creditor is advised to consult an appropriately authorised independent financial adviser who specialises in advising on the acquisition of equity and other securities.

Risks Relating to the Transaction

Effectiveness of the Scheme requires the approval of the Scheme Creditors

In order for the Transaction to become effective, the Scheme requires the approval of both a majority in number and at least 75 per cent in value of the Scheme Creditors present and voting (either in person or by proxy) at the Scheme Meeting. If the requisite majority of Scheme Creditors does not vote in favour of the Scheme at the Scheme Meeting, the Scheme will be withdrawn and the Transaction will not be implemented. Although certain Scheme Creditors have given an undertaking to vote in favour of the Scheme, such undertaking may cease to be binding in certain circumstances set out under the terms of the Memorandum of Understanding, including automatic termination of the Memorandum of Understanding on 31 December 2020 unless extended.

Even if the Scheme Creditors approve the Scheme, the Scheme may be objected to and may not be completed

Even if the Scheme is approved at the Scheme Meeting, it is possible for a person with an interest in the Scheme (whether a Scheme Creditor or otherwise) to object to the Scheme and to attend or be represented at the Scheme Sanction Hearing in order to make representations that the Scheme should not be approved and to appeal against the granting of the Court Order. Therefore, it is possible that objections will be raised at or before the Scheme Sanction Hearing or that an appeal will be made against the granting of the Court Order by the High Court and that any such objections or appeal will delay or possibly prevent the intended effectiveness of the Scheme.

In addition, it is possible that a person with an interest in the Scheme may seek to challenge the Scheme after it is sanctioned in a court in a jurisdiction other than England and Wales. It is not certain that such foreign court would recognise or give effect to a scheme of arrangement.

Even if the Scheme Creditors approve the Scheme, effectiveness of the Scheme requires the sanction of the High Court and is a condition for the completion of the Transaction

If the Scheme does not become effective, the Transaction will not be completed. In order for the Scheme to become effective under English law, among other conditions, the Scheme must receive the sanction of the High Court. The High Court will not sanction the Scheme unless it is satisfied that, amongst other things, it has jurisdiction to do so, that the relevant provisions of Part 26 of the Companies Act have been complied with and an intelligent and honest person, a member of the class concerned and acting in respect of his own interest, might reasonably approve the scheme of arrangement. There can be no assurance that the High Court will sanction the

Scheme. If the High Court does not sanction the Scheme, or the Scheme does not become effective including for any of the reasons described herein, or if the High Court approves it subject to conditions or amendments which the Company or other relevant parties deem unacceptable or would have (directly or indirectly) a material adverse effect on the interests of any holders and such conditions or amendments are not approved by the holders, the Scheme will not become effective and the transactions contemplated by the Scheme will not be implemented and it would not be possible for the Company to effect the Transaction.

The Transaction may not be completed on the timeline envisaged in this Explanatory Statement or by the Long Stop Date

Factors unknown to the Joint Administrators at the date of this document may result in delays to the completion of the Transaction. There is no guarantee that the Scheme Effective Date will occur before the Long Stop Date as described in the Scheme.

The Transaction is not unconditional, and failure to complete the required condition will result in the Transaction not completing

Even if the Scheme is approved by the requisite majorities of Scheme Creditors and the Scheme Lodgment Date occurs, it is a condition of the implementation of the Transaction that the Company and the CRV Trustee enter into the Deed of Assignment pursuant to which the Enforcement Related Claims are transferred to the CRV. The Company does not exercise any control over the CRV or the CRV Trustee and as such, it is not certain that the CRV Trustee will execute the Deed of Assignment prior to expected Scheme Effective Date as described in "Key Dates and Expected Timetable" on page 1 of this Explanatory Statement, or that it will execute the Deed of Assignment at all. The transfer of the Enforcement Related Claims to the CRV and the subsequent issuance of CRV Interests to Scheme Creditors who have made a CRV Election will not be completed if the Scheme is not approved by Scheme Creditors and sanctioned by the High Court at the Scheme Sanction Hearing.

The Transaction may have tax consequences for Scheme Creditors

It is possible that effectiveness of the Scheme, the completion of the Transaction or holding of the CRV Interests may have tax consequences for Scheme Creditors. Scheme Creditors should consult their own professional advisers regarding these possible tax consequences under the laws of the jurisdictions that apply to them or to the Scheme Consideration. Scheme Creditors are liable for their own taxes and have no recourse to the Company, the Joint Administrators, the Bond Trustee or the CRV Trustee with respect to taxes arising in connection with the Scheme. For a summary of certain tax considerations related to the Scheme, see Part 6 (*Taxation*) of Section I (*Explanatory Statement*).

Risks related to the CRV Interests

The CRV will not pay any distributions on the CRV Interests in the foreseeable future and there can be no assurance as to the level and frequency of future distributions (if any) on the CRV Interests

It is contemplated that the only asset of the CRV will be the Enforcement Related Claims. As a result, the value of an investment in the CRV is inherently linked to the value recoverable of the Enforcement Related Claims. As set out in this section, there are a number of risk factors relating to the Enforcement Related Claims and it is possible that in certain circumstances, Scheme Creditors could lose all or part of their investment in the CRV Interests. Additionally, the declaration, payment and amount of any future distributions of the CRV will be subject to the terms of the CRV Trust Deed, the outcome of litigation relating to the Enforcement Related Claims and the provisions of relevant laws.

No market for CRV Interests will exist, and the CRV Interests will not be listed on any stock exchange

As part of the Scheme, Scheme Creditors will have the right to elect to receive CRV Interests in lieu of their Pro Rata Allocation of Cash Consideration in accordance with the terms of the Scheme. The CRV Interests will be a new issue of securities for which there will be no public market. The CRV Interests will not be listed on any stock exchange and an active market for the CRV Interests is not expected to develop. The lack of an active market may also reduce the fair market value of the CRV Interests and Scheme Creditors may not be able to resell the CRV Interests at their fair market value or at all.

Transfer of the CRV Interests will be restricted under applicable securities laws

The CRV Interests have not and will not be registered under the U.S. securities laws, including the Securities Act, or the securities laws of any other jurisdiction. In addition, the CRV Interests issued to persons in the U.S. or U.S. persons will be considered “restricted securities” under U.S. Securities laws and subject to restrictions on further transfers. The CRV Interests will not have the benefit of any registration rights agreement. The CRV Interests may not be offered or sold, except pursuant to an exemption or exclusion from, or in a transaction not subject to, the registration requirements of U.S. securities laws and other applicable securities laws.

Exchange rate fluctuations could have a significant impact on the value of the CRV Interests

Fluctuations in the exchange rate between the United States Dollar, Great British Pound and other currencies may affect the value of the CRV Interests in the local currency of investors in the UK, PRC and other countries.

Cayman securities law / control risks

There are no exchange control regulations in the Cayman Islands. There is no restriction or requirement of the Cayman Islands binding on the CRV which limits the availability or transfer of foreign exchange (i.e. monies denominated in currencies other than Cayman Islands dollars) for the purposes of the performance by the CRV of its obligations.

There is no regulation or law of the Cayman Islands which restricts the CRV from acquiring, selling and holding foreign securities and issuing securities and obligations denominated in a foreign currency.

STAR Trust

The CRV has been established as a Cayman Islands STAR trust formed under Part VIII of the Trusts Law (as revised) of the Cayman Islands and pursuant to a declaration of trust. A STAR trust is a statutory non-charitable purpose trust established for the sole purpose of holding the Enforcement Related Claims and exercising the rights attaching thereto. The Enforcers are the enforcers of the STAR Trust. In their role as Enforcers, the Enforcers are responsible for enforcing the purpose and ensuring the terms of the STAR Trust are carried into effect, by bringing legal proceedings against the Trustee, if necessary, for failing to follow the purposes of the STAR Trust.

Scheme Creditors' rights as beneficiaries of the CRV will be governed by Cayman law, which may differ in some respects from the rights of beneficiaries under the laws of other countries

The rights of the CRV's beneficiaries (i.e. the holders of CRV Interests) are governed by the CRV's trust deed and Cayman Islands trust laws, regardless of the national law applicable to any shareholder. The ability of beneficiaries to bring claims against the CRV or its trustees under foreign laws and the ability of beneficiaries to enforce judgments obtained in foreign jurisdictions in the Cayman Islands courts are limited as a result. Under Cayman law, it is the Enforcers of a STAR trust rather than the beneficiaries who have standing to enforce its terms and who may seek to invalidate those resolutions of a STAR trust's trustee that have not been made in accordance with the purpose of the trust or breach the trust's trust deed or applicable law. Such actions could be taken, for example, in connection with resolutions adopted with respect to the payment of distributions, issuance of additional units or reductions in the number of units and any other amendments to the trust deed of the STAR trust.

Scheme Creditors' rights as beneficiaries of the CRV are subject to the governance structure of the CRV and may be diluted by further issuances of CRV Interests in the future

Subject to certain conditions, the CRV has the discretion to raise further funding to finance the litigation of the Enforcement Related Claims. Unless a Scheme Creditor is able and willing to fund its entire allocation of CRV Interests upon a fundraising request by management, the Scheme Creditor's Interests in the CRV may be diluted either by other existing holders of CRV Interests or by third parties. The administration of the Enforcement Related Claims will be overseen by the Enforcers (who will be representatives of holders of CRV Interests) and a CRV Administrator. Only the four largest holders of CRV Interests will have the right to appoint a representative.

Risks related to the Enforcement Related Claims

Formulation of the Enforcement Related Claims

The Company and the Joint Administrators make no representation or warranty whatsoever as to the validity or prospects of success of the Enforcement Related Claims, or that any of the documents or information provided to the CRV Trustee pursuant to the Deed of Assignment will support the Enforcement Related Claims.

The Joint Administrators do not know if the CRV will commence and/or prosecute the Enforcement Related Claims to its conclusion and, if it does so, how the Enforcement Related Claims will be formulated. Pursuant to the Deed of Assignment, the CRV Trustee agrees that it will not commence proceedings in relation to the Enforcement Related Claims unless and until: (a) it has obtained an after the event or similar insurance policy to cover any potential adverse costs liability of the CRV Trustee and the Joint Administrators in connection with proceedings in relation to the Enforcement Related Claims in an amount of at least £10 million or other arrangements have been put in place to cover the CRV Trustee and the Joint Administrators for any potential adverse costs liability in connection with proceedings in relation to the Enforcement Related Claims, such insurance or other arrangements being satisfactory to the Joint Administrators acting reasonably; and (b) the Joint Administrators have provided written confirmation to the CRV Trustee that such insurance or other arrangements are reasonably satisfactory.

At least the following additional factors are presently uncertain regarding the Enforcement Related Claims:

- (a) whether the risk of an adverse costs order being made against the Joint Administrators and the Company has been appropriately addressed such that consent to commence the claim is given to the CRV in accordance with the Deed of Assignment;
- (b) the legal formulation of the Enforcement Related Claims;
- (c) the jurisdiction in which the Enforcement Related Claims will be commenced;
- (d) the identity of the defendants to the Enforcement Related Claims and the jurisdiction in which they are situated (and whether the CRV Trustee will require, and if so obtain, permission to serve the Enforcement Related Claims out of the jurisdiction on those defendants);
- (e) the ability to effect service on any or all of the defendants;
- (f) the possibility that one or more defendants will challenge the jurisdiction of the court in which the Enforcement Related Claims are commenced;
- (g) the possibility that one or more of the defendants will successfully challenge the validity and effectiveness of the assignment of the Enforcement Related Claims, and/or the standing of the CRV Trustee to bring the Enforcement Related Claims ;
- (h) whether any or all of the defendants will seek and obtain an order for early dismissal of the Enforcement Related Claims, e.g. on the basis that they do not have a real prospect of success;
- (i) the amount of monetary damages that will be sought in the Enforcement Related Claims;
- (j) whether, where and in what way and amount the defendants to the Enforcement Related Claims will make counter-claims against the CRV Trustee;
- (k) the amount of the costs of prosecuting the Enforcement Related Claims to their conclusion (see further below under *Costs*);
- (l) the time which it will take to prosecute the Enforcement Related Claims to their conclusion and the extent to which the time could be extended (potentially significantly) by procedural matters including, but not limited to, those identified in this Risk Factors section;

- (m) whether the CRV will wish to, and be able to, obtain litigation funding and/or after-the-event (“ATE”) insurance in respect of the Enforcement Related Claims (to the extent required) and, if so, the terms of such arrangements, including but not limited to, whether (i) such arrangements will be non-recourse to the CRV Trustee; (ii) the provider(s) of the funding and/or ATE will, in the event the Enforcement Related Claims are successful, be entitled to a share of the recoveries; (iii) the arrangements will extend to any appeals; and (iv) the arrangements will include rights of consultation or control over major procedural steps, including settlement;
- (n) the outcome of the Enforcement Related Claims, whether by way of settlement or final judgment of the court;
- (o) whether any interlocutory or final judgments will be subject to appeal (see further below under *Appeals*);
- (p) in the event that the CRV Trustee obtains a final judgment against the defendants, the amount of monetary damages that will be awarded;
- (q) whether the defendants will satisfy any money judgment against them and, if not, whether the CRV Trustee will be able to identify, enforce a judgment debt against and monetise (to the extent necessary) the assets of the defendants (or otherwise realise proceeds in respect of the judgment, e.g. through assignment to a third party);
- (r) whether the CRV Trustee will be entitled or able to recover from the defendants any of its costs and expenses incurred with prosecuting the Enforcement Related Claims and, if so, in what amount; and
- (s) whether the benefit of any judgment awarded in favour of the CRV Trustee will be set-off against any judgment debt which the defendants may obtain in any counter-claim against the CRV Trustee.

Costs

The CRV may instruct lawyers and other professional advisers to consider and evaluate the Enforcement Related Claims, the costs and expenses of which will likely be borne by the CRV Trustee. There is no guarantee that, having taken that advice, the CRV will decide to commence the Enforcement Related Claims.

The CRV Trustee may be required to provide security for the defendants’ costs and expenses of defending the Enforcement Related Claims. The amount of security which the CRV Trustee may be required to provide may be substantial and, absent any agreement with the defendants or permission from the court to the contrary, such security will likely need to be provided by way of a cash payment into court.

The CRV Trustee will be liable to pay its own costs and expenses of prosecuting the Enforcement Related Claims and will need to ensure it is in funds to do so.

If the Enforcement Related Claims ultimately fails, the court may order that the CRV Trustee shall pay the costs and expenses of the defendants. If the CRV fails to satisfy any adverse cost order against it, the defendants may seek orders that one or more third parties should pay the defendants’ costs, including any third parties who have funded and/or controlled the litigation, or for whose benefit the Enforcement Related Claims have been pursued.

The CRV Trustee may be required to pay the defendants’ costs and expenses of any interlocutory application made in the course of prosecuting the Enforcement Related Claims, and may be unable to recover its own costs and expenses of such applications.

Control

The rights of the holders of CRV Interests to control or influence the actions of the CRV Trustee are set out in the CRV Trust Deed (see above). Pursuant to those provisions, holders of CRV Interests may therefore have limited, or no, ability to control or influence the actions of the CRV Trustee with respect to the Enforcement Related Claims at all or without the support of other holders of CRV Interests.

Appeals

The CRV Trustee may not be able to appeal a final or interlocutory judgment made against it in the course of prosecuting the Enforcement Related Claims.

If the CRV Trustee obtains a final or interlocutory judgment against the defendants in the Enforcement Related Claims, that judgment may be subject to several levels of appeal, the outcome of which is uncertain.

Any appeal process could take several years to conclude, during which time the CRV Trustee would be unlikely to make any recoveries in respect of the Enforcement Related Claims.

The CRV Trustee may be liable to pay its own costs and expenses of any appeal process in the Enforcement Related Claims as well as the costs and expenses of the defendants.

Adverse publicity

The Enforcement Related Claims may incur adverse publicity for the CRV Trustee and/or holders of CRV Interests and/or their associates.

5. SCHEME CONSIDERATION

5.1 On the Scheme Effective Date:

- (a) each Scheme Creditor unconditionally and irrevocably agrees to release the Released Portion of its Admitted Claims; and
- (b) in consideration for the releases described in paragraph (a) above and in Clause 8, each Scheme Creditor shall be entitled to receive or direct the application of its Pro Rata Allocation of Scheme Consideration representing payments of unpaid principal in accordance with the terms of this Scheme.

Cash Consideration

- 5.2 Subject to Clause 5.4, each Scheme Creditor shall be entitled to receive its Cash Consideration on the Distribution Date.
- 5.3 The Company shall be entitled to effect the payment of any Scheme Consideration to a Scheme Creditor in accordance with such payment instructions as have been notified by the Scheme Creditor to the Company on or prior to the Bar Date.

CRV Interests

- 5.4 Subject to Clauses 5.5 to 5.10, each Scheme Creditor that makes a CRV Election pursuant to this Scheme shall be entitled to receive CRV Interests in a nominal amount equal to its Pro Rata Allocation of Scheme Consideration on the Distribution Date. A Scheme Creditor that makes a CRV Election pursuant to this Scheme shall not be entitled to its Cash Consideration except in accordance with Clause 5.9 below.
- 5.5 No Scheme Creditor shall have any entitlement to be issued CRV Interests pursuant to a CRV Election in connection with this Scheme unless its validly completed CRV Election Letter is delivered to and received by the Information Agent and CRV Trustee **on or prior to the CRV Election Deadline**.
- 5.6 In the event that a Scheme Creditor wishes to procure that its Nominated Recipient receives all (but not part) of its CRV Interests, it must, in addition to complying with Clause 5.5, also ensure that:
 - (a) the proposed Nominated Recipient:
 - (i) is an Eligible Person;
 - (ii) is nominated in the Scheme Creditor's validly completed CRV Election Letter as a Nominated Recipient; and
 - (iii) submits the KYC Documentation relating to its Nominated Recipient to the Information Agent and CRV Trustee on or prior to the CRV Election Deadline; and
 - (b) its validly completed CRV Election Letter includes a confirmation that its Nominated Recipient is an Eligible Person.

For the avoidance of doubt, a Scheme Creditor who is a Disqualified Person will be required to represent and warrant to the Company that it will retain no beneficial interest in the CRV Interests to be received by its Nominated Recipient.

- 5.7 No CRV Interests will be issued or transferred pursuant to this Scheme to a person who is a Disqualified Person or located in a jurisdiction where such distributions would, or may, in the reasonable opinion of the CRV Trustee or the Company, be prohibited by law.

- 5.8 To the extent that a CRV Election Letter contains inadequate information to enable the CRV Trustee to distribute CRV Interests to the relevant Scheme Creditor (or its Nominated Recipient) pursuant to this Scheme, the Information Agent, the Company or the CRV Trustee, may (but shall not be obliged to) inform that Scheme Creditor and accept supplemental or corrected information (“**Supplemental Information**”) such that the CRV Trustee is able to distribute CRV Interests to that Scheme Creditor in line with its CRV Election Letter. Such Supplemental Information must be received by the Information Agent and the CRV Trustee by the Bar Date.
- 5.9 If Clauses 5.7 or 5.8 apply, or if the Supplemental Information or KYC Documentation, anti-money laundering and similar requirements are not received by the Information Agent and the CRV Trustee by the Bar Date, no CRV Interests in respect of the relevant Scheme Creditor’s Scheme Consideration will be issued pursuant to this Scheme, and the relevant Scheme Creditor will be deemed to have not made a CRV Election and will instead receive its Cash Consideration on the Distribution Date.
- 5.10 Any CRV Interests required to be issued to Scheme Creditors in connection with this Scheme shall be issued by the CRV to Scheme Creditors directly, and not by or through the Company or Joint Administrators. The CRV Trustee, by its CRV Trustee Undertaking, undertakes to administer and procure the issuance of CRV Interests in accordance with the terms of the Scheme. The Company’s and the Joint Administrators’ obligations to provide Scheme Consideration to a Scheme Creditor that has made a CRV Election shall be wholly discharged and satisfied by the Company transferring an amount in cash equal to that Scheme Creditor’s Cash Consideration to the CRV Trustee. Neither the Company nor the Joint Administrators shall be liable for any breach by the CRV Trustee of the terms of the CRV Trustee Undertaking, or any failure by the CRV to issue CRV Interests pursuant to the Scheme.
6. **OPPORTUNITY FOR BONDHOLDERS TO MAKE ELECTIONS**
- 6.1 The Bond Trustee holds an Admitted Claim which will be compromised by the Scheme.
- 6.2 Pursuant to an extraordinary resolution in respect of the Bonds and a letter from the MoU Committee, the Bond Trustee has been instructed to solicit elections of Bondholders by which each Bondholder will be given the opportunity, but not the obligation, to elect whether to receive an immediate cash distribution or to cause the cash distribution they would otherwise be entitled to receive (in each case, net of any amounts provided for in such extraordinary resolution and in the trust deed dated 10 February 2012 in respect of the Bonds) to be contributed to the CRV in exchange for an interest in the CRV (a “**Bondholder CRV Election**”).
- 6.3 Details of the steps that each Bondholder will need to take in order to make a Bondholder CRV Election and receive CRV Interests will be set out in a notice to be published by the Bond Trustee via the Clearing Systems.
- 6.4 For the avoidance of doubt, (i) any distribution of cash to Bondholders shall be administered by the Bond Trustee, and shall not be the responsibility of the Company or the Joint Administrators, and (ii) any CRV Interests required to be issued to Bondholders in connection with a Bondholder CRV Election shall be issued by the CRV to Bondholders directly, and not by or through the Company or the Joint Administrators or the Bond Trustee.
7. **ADEQUATE RESERVES AND DETERMINATION OF CLAIMS**
- 7.1 Subject to Clause 7.2, the Joint Administrators shall as soon as is reasonably practicable, set aside from the Scheme Consideration such amounts as they consider necessary, in their sole discretion, in order to adequately reserve for the Undetermined Provable Claims (each an “**Adequate Reserve**” and, together, the “**Adequate Reserves**”).
- 7.2 The Joint Administrators shall either admit or reject an Undetermined Provable Claim (in whole or in part) as soon as reasonably practicable.

- 7.3 The Joint Administrators' determination whether to accept or reject a proof of debt in respect of Undetermined Provable Claims (in whole or in part) will be based upon a review of the proof of debt and any documents submitted by the relevant Scheme Creditor in support of such Claim and by applying the same principles and rules which govern the valuation and admission of proofs of debt by an administrator in an administration in England and Wales including, if necessary, discounting any future Claims to their present value and estimating the value of any Claims that do not have a certain value because they are unascertained or subject to a contingency or for any other reason.
- 7.4 In the event that a Scheme Creditor is dissatisfied with the Joint Administrators' determination under Clause 7.3, that Scheme Creditor shall be entitled to apply to the High Court within 21 days of being notified of the Joint Administrators' decision, for such decision to be reversed or varied in accordance with rule 14.8(1) of the Insolvency Rules. Any Scheme Creditor who does not so apply shall not be entitled to challenge the Joint Administrators' determination, which shall be final and binding. No Scheme Creditor shall be entitled to challenge the Joint Administrators' determination under Clause 7.3 of any other Scheme Creditor's proof of debt.
- 7.5 Upon an Undetermined Provable Claim being finally determined and accepted as an Admitted Claim in accordance with Clauses 7.2 to 7.4, the Scheme Creditor holding such Claim (and any of their successors and assigns) shall be deemed to have held such Admitted Claim at the Bar Date for the purposes of the Scheme, and shall be bound by the terms of the Scheme. In particular, such Scheme Creditor shall be entitled to receive or direct the application of its Pro Rata Allocation of Scheme Consideration in accordance with the terms of this Scheme, subject to the following adjustments in timing:
- (a) if such Scheme Creditor makes a CRV Election in accordance with Clause 5.4, its validly completed CRV Election Letter (and any KYC Documentation in respect of it or any Nominated Recipient) must be delivered to and received by the Information Agent and the CRV Trustee **on or prior to the date falling ten (10) Business Days** after the date that such Scheme Creditor's Undetermined Provable Claim is accepted as an Admitted Claim;
 - (b) any Supplemental Information provided by the Scheme Creditor in accordance with Clause 5.8 must be delivered to and received by the Information Agent and the CRV Trustee **on or prior to the date falling five (5) Business Days** after the date that the Information Agent, the Company or the CRV Trustee has informed the relevant Scheme Creditor in writing that the information provided with its Election is inadequate to enable the CRV Trustee to distribute CRV Interests to that Scheme Creditor (or its Nominated Recipient); and
 - (c) payment of that Scheme Creditor's Cash Consideration shall occur:
 - (i) if no CRV Election Letter is received from that Scheme Creditor by the deadline specified in (a) above, no later than the date falling fifteen (15) Business Days after the date that that Scheme Creditor's Undetermined Provable Claim is accepted as an Admitted Claim;
 - (ii) if any Supplemental Information is not delivered to and received by the CRV Trustee and Information Agent by the deadline specified in (b), no later than the date falling ten (10) Business Days after such deadline.
- 7.6 Upon final determination of all Undetermined Provable Claims, the Information Agent shall make an announcement upon the Scheme Website confirming this fact and the amount of any residual amount of Adequate Reserves.
- 7.7 If, after all payments which Scheme Creditors are entitled to receive or direct the application of from the Adequate Reserves have been made, there is a residual amount of Adequate Reserves in excess of £10,000, the Company shall make a distribution in cash (a "**Second Distribution**") to all Scheme Creditors in accordance with their Pro Rata Allocation. Scheme Creditors shall have no ability to make a CRV Election with respect to a Second Distribution. The Company shall notify Scheme Creditors of its intention to make a

Second Distribution and the timing of such distribution via an announcement on the Scheme Website posted by the Information Agent.

- 7.8 If there is no residual amount of Adequate Reserves or the residual amount is £10,000 or less, the Joint Administrators will retain such amount and it will be treated in the same way as other cash of the Company in the ongoing Administration.

- 7.9 **Each Scheme Creditor irrevocably and unconditionally releases and waives any entitlement to assert, any and all Provable Claims in respect of which no proof of debt has been submitted to, and received by, the Information Agent and the Company by the Bar Date (an “Unsubmitted Claim”). Each Scheme Creditor will not be entitled to receive any Scheme Consideration pursuant to the Scheme in respect of such Unsubmitted Claims and will not be able to recover or receive any payments for such Unsubmitted Claims in the Administration (even if further assets become available for distribution after the Scheme Effective Date). Each Scheme Creditor acknowledges and agrees that it shall have no right to prove for any Unsubmitted Claim after the Bar Date, and such Unsubmitted Claims will be fully and irrevocably extinguished.**

To the extent that the asset comprising the recovery cannot be held on trust by the Scheme Creditor, the Scheme Creditor shall pay to the Company or the relevant Protected Party, as the case may be, an amount equal to that recovery immediately upon demand being made by the Company or the relevant Protected Party without set-off, counterclaim or deduction.

THIS DEED OF ASSIGNMENT is dated

2020

BETWEEN:

- (1) **African Minerals Limited (in administration)**, of Victoria Place, 31 Victoria Street, Hamilton, HM10 Bermuda (the “**Assignor**”), acting by the Joint Administrators;
- (2) **Ian Colin Wormleighton** and **Nicholas Guy Edwards** each of Deloitte LLP, PO Box 810, London EC4A 3TR (the “**Joint Administrators**”) in their capacity as joint administrators of the Assignor and without personal liability; and
- (3) **AML Creditor Recovery Vehicle PTC** (in its capacity as trustee of The AML Creditor Recovery Trust), a private trust company incorporated in the Cayman Islands with registration number 1609160 with its registered office at 2nd Floor, Harbour Centre, 42 North Church Street, George Town, Grand Cayman, Cayman Islands (the “**Assignee**”),

hereinafter collectively referred to as “**Parties**” or individually a “**Party**”.

RECITALS

- (A) The Assignor has been in administration since 26 March 2015.
- (B) Prior to the commencement of its administration, the Assignor was the listed parent company of a group that owned an iron ore mine in Sierra Leone and an associated rail and ports business.
- (C) In July 2011, the Assignor entered into a joint venture with Shandong Iron & Steel Group Co., Ltd (山東鋼鐵集團) (together with certain affiliates, “**Shandong**”), which invested \$1.5 billion in exchange for a 25% interest in the group’s operating subsidiaries.
- (D) In 2014, the Assignor encountered financial difficulties due to, among other things, a downturn in iron ore prices and the Ebola crisis in Sierra Leone. The Assignor’s administration was commenced following a demand being made on the Assignor for repayment of a c. \$166 million loan facility that it had guaranteed. Shortly thereafter Shandong acquired the Assignor’s interests in the group’s operating companies through an enforcement sale of those interests.
- (E) A principal asset of the Assignor’s administration estate is the Enforcement Related Claims (as defined below).
- (F) In connection with a scheme of arrangement relating to the Assignor and sanctioned by the High Court of England and Wales by an order dated [●] 2020, the Assignor has agreed to assign to the Assignee the Enforcement Related Claims on the terms of this Deed.

- (b) join with the Assignee in giving notice of assignment of the Enforcement Related Claims by a notice of assignment in the form set out in Schedule 1 (*Form of Notice of Assignment*) to any person (other than a Counterparty) as the Assignee may request,

in each case, if the Joint Administrators consider in their absolute discretion that such requests are reasonable.

- 4.2 Neither the Assignor nor the Joint Administrators shall be required to comply with Clauses 4.1 or 9.2 unless and until arrangements are in place to pay or reimburse the Assignor or the Joint Administrators, as applicable, for their costs and expenses (including legal advice) incurred in connection with complying with Clause 4.1 or 9.2 (as applicable), such arrangements being satisfactory to the Joint Administrators in their sole and absolute discretion.
- 4.3 The Assignee agrees that it will not commence proceedings in relation to the Enforcement Related Claims unless and until:
- (a) it has obtained an after the event or similar insurance policy to cover any potential adverse costs liability of the Assignor and the Joint Administrators in connection with proceedings in relation to the Enforcement Related Claims in an amount of at least £10 million or other arrangements have been put in place to cover the Assignor and the Joint Administrators for any potential adverse costs liability in connection with proceedings in relation to the Enforcement Related Claims, such insurance or other arrangements being satisfactory to the Joint Administrators acting reasonably; and
 - (b) the Joint Administrators have provided written confirmation to the Assignee that the insurance or other arrangements referred to in Clause 4.3(a) are reasonably satisfactory.
- 4.4 Nothing in this Deed shall operate to restrict or affect in any way any right of the Joint Administrators to cease to act or to take steps to wind up or dissolve the Assignor or otherwise to comply with their obligations under English law.

5. INDEMNITY

- 5.1 The Assignee shall indemnify and hold harmless, and keep indemnified and hold harmless, the Assignor and the Joint Administrators from and against any and all Losses incurred by them, arising from or in connection with the Assignee's failure to comply with Clause 4.3.
- 5.2 Such indemnity shall be limited to the value of the Trust Fund (as defined in the declaration of trust dated [●] 2020 establishing the AML Creditor Recovery Vehicle) held in trust from time to time by the Assignee as trustee of the AML Creditor Recovery Vehicle.

6. EXCLUSIONS

- 6.1 The Assignor and the Joint Administrators make no representation or warranty whatsoever as to the existence, validity, merits or prospects of success of the Enforcement Related Claims, or that any of the Documents or Confidential Information will support the Enforcement Related Claims.

- 6.2 Subject to Clause 6.6, all representations, warranties, conditions, guarantees and stipulations, express or implied, statutory, customary or otherwise in respect of any of the rights, title, interest and benefits in and to the Enforcement Related Claims assigned pursuant to this Deed are expressly excluded (including warranties and conditions as to title and fitness for purpose).
- 6.3 The Enforcement Related Claims are assigned in their condition as at the date of this Deed. Unless otherwise required by law (and then only to that extent), the Assignor and the Joint Administrators and each of them shall not be liable for any loss arising out of, or due to, or caused by any defect or deficiencies in any or all of the Enforcement Related Claims.
- 6.4 The Assignee agrees that the terms and conditions of this Deed and the exclusions and limitations contained in it are fair and reasonable having regard to the following:
- (a) that this is an assignment by an insolvent company and it is usual that no representations and warranties are given by or on behalf of the Assignor or the Joint Administrators;

- 6.6 Nothing in this Deed operates to limit or exclude, any liability for fraud, wilful default or dishonesty.
- 6.7 The Assignee acknowledges that if the Assignor does not have title or unencumbered title to the Enforcement Related Claims, or if the Assignee cannot exercise any right conferred or purported to be conferred on it by this Deed, this shall not be a ground or grounds for rescinding, avoiding or varying any or all of the provisions of this Deed.

7. FURTHER ASSURANCE

- 7.1 Each Party shall, and shall use all reasonable endeavours to procure that any necessary third party shall, promptly execute and deliver such documents and perform such acts as may be required for the purpose of giving full effect to this Deed.
- 7.2 The Assignor shall promptly obtain, comply with and do all that is necessary to maintain in full force and effect all Authorisations required under any law or regulation to enable it lawfully to perform its obligations under this Deed.

8. JOINT ADMINISTRATORS' LIABILITY

- 8.1 The Joint Administrators act as agents for the Assignor and neither they nor their representatives shall incur any personal liability in any circumstances whatever by virtue of this Deed, nor in relation to any related matter or claim, nor in respect of any transfer, assignment or other documents made pursuant to this Deed.
- 8.2 The Joint Administrators have entered into this Deed in their personal capacities solely for the purpose of obtaining the benefit of the provisions in their favour.
- 8.3 Save for any claims to enforce the terms of this Deed in the event of fraud, dishonesty or wilful default, the Assignee hereby:
- (a) releases, waives and forever discharges the Joint Administrators and the Assignor from any claim, liability, right or action of any kind, whether direct or indirect, foreseen or unforeseen, contingent or actual, present or future, however and whenever arising and in whatever capacity or jurisdiction, including without limitation a claim for interest, costs or otherwise, that the Assignee can, shall or may have against the Joint Administrators or the Assignor in connection with the Documents, the Enforcement Related Claims or this Deed; and
 - (b) irrevocably and unconditionally agrees not to make any claim and/or commence, cause to commence, continue or aid in any way any civil, criminal or regulatory action, suit or other proceedings against the Joint Administrators or the Assignor concerning any matter or issue arising out of or connected with the Documents, the Enforcement Related Claims or this Deed.

9. REMEDIES

- 9.1 If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.
- 9.2 If any assignment purported to be made pursuant to this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, and subject to Clause 4.2, the Assignor agrees to negotiate in good faith with the Assignee an alternative mechanism pursuant to which the Assignee may acquire or otherwise obtain the benefit of the Enforcement Related Claims.
- 9.3 No failure or delay by a Party to exercise any right or remedy provided under this Deed or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial

exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

10. AMENDMENTS AND WAIVERS

No term of this Deed may be amended or waived unless approved in writing (which may be by email) by all of the Parties.

11.2 Subject to Clause 11.3 and 11.4 of this Deed, each Party shall not disclose or make available any of the Confidential Information to any other person without the prior written consent of the other Parties.

- (a) it is ordered to do so by a court of competent jurisdiction or is required by applicable law or regulations of any governmental, regulatory authority, self-regulatory authority, legislative body or stock market by whose rules the receiving Party is bound; or
- (b) such disclosure is necessary to evidence the existence and validity of the assignment set out in this Deed to any relevant court or third party or to implement and enforce any of the terms of this Deed.

Each Party shall take all reasonable steps to ensure that any party to whom disclosure of Confidential Information is made under this Clause is directed to maintain the confidentiality and privilege of the same.

13. ENTIRE AGREEMENT

This Deed (including the Schedule and Annexes hereto), constitutes the entire agreement with respect to the assignment of the Enforcement Related Claims to the exclusion of any

terms implied by law which may be excluded by contract and supersedes any previous written or oral agreement between the Parties in relation to matters dealt with in this Deed.

A person who is not a party to this Deed has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or to enjoy the benefit of any term hereof.

- 15.2 The courts of England and Wales shall have the exclusive jurisdiction to settle any matter or dispute arising out of, relating to or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed) (a “**Dispute**”).
- 15.3 The Parties agree that the courts of England and Wales are the most appropriate and convenient courts to hear and determine any suit, action or proceeding and settle any Dispute. Each Party irrevocably waives any right that it may have to object to an action being brought in the courts of England and Wales to claim that the action has been brought in an inconvenient forum or to claim that the courts of England and Wales does not have jurisdiction.
- 15.4 Without prejudice to any other mode of service allowed under any relevant law, the Assignee irrevocably appoints Skadden, Arps, Slate, Meagher & Flom (UK) LLP as its agent to receive on its behalf in England and Wales service of any proceedings in connection with this Deed. Such service shall be deemed completed on delivery to such agent (whether or not it is forwarded to the Assignor and the Joint Administrators) and shall be valid until such time as the Assignor and the Joint Administrators have received prior written notice that such agent has ceased to act as agent. If for any reason such agent ceases to be able to act as agent or no longer has an address in England and Wales, the Assignee shall forthwith appoint a substitute agent for service of process and deliver to the Assignor and the Joint Administrators the new agent’s name and address within England and Wales.
