

Liability Management Services

GLAS is a privately owned, conflict free boutique provider of debt administrative services, with a focus on providing administrative solutions to complex transactions.

GLAS offers a tailored, flexible and proactive approach to all liability management transactions.

Our team of experts can assist with preparing documents to ensure each event works within the clearing systems once launched, results are provided to necessary interested parties and settlement is timely and efficient.

GLAS has strong relationships within the international clearing houses, and can offer end-to-end service with bespoke technology to support our clients.

GLAS Credentials and Licenses:

€360bn assets under management
