

Loan Closing

GLAS is the leading independent provider of debt administration services, and we draw on in-house expertise and bespoke technologies to close loans efficiently and effectively.

The GLAS team are experts in on-par, near-par and distressed trades, and can work directly with internal teams, or manage the process independently.

GLAS utilises a unique technology suite, offering transparent, advanced reporting, reconciliation of data and the ability to manage and execute documentation within the platform.

With a wealth of expertise in the loan closing space, GLAS is equipped to provide a tailored scope of services depending on your business needs with as much or as little undertaking as required.

Loan Closing Process

What makes GLAS the right fit?

- ▶ Over 50 years of in-house experience in our loan administration team
- ▶ Over 450 professionals across EMEA, the US and APAC
- ▶ Customised daily reporting to all interested parties
- ▶ Automated feeds of interest rate changes and rollovers
- ▶ Ability to arrange settlement directly or liaise with relevant parties
- ▶ Dedicated client service professionals assigned to portfolio
- ▶ Ability to reconcile both cash and positions
- ▶ Award winning service
